DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE

June 12, 1978

Mr. C. B. Wootten
Director
University Patents Program
Thorton Hall
University of Virginia
Charlottesville, VA 22901

Dear Carl:

The attached memorandum was recently sent out to SUPA members. In conversations I recall that you may have mentioned negotiating some private funding at Virginia in light of the existence of your Institutional Patent Agreement, even though inventions had not yet been identified. If this is correct, it would be extremely helpful if you could transmit this information directly to Bill Burke in a short narrative.

Thank you.

Sincerely,

Norman J. Latker
Patent Counsel

Enclosure
