WHEREAS, LICENSOR has the power and authority to grant to LICENSEE the right, privilege and license to use, manufacture and sell those types of products that incorporate or are otherwise based on the Property as identified in Schedule A attached hereto (the "Licensed Products") and to use the Trademark on or in association with such Licensed Products;

WHEREAS, LICENSEE has represented that it has the ability to manufacture, market and distribute the Licensed Products in the countries identified in Schedule A attached hereto (the "Territory") and to use the Trademark on or in association with the Licensed Products;

WHEREAS, LICENSEE desires to obtain from LICENSOR an exclusive license to use, manufacture, have manufactured and sell Licensed Products in the Territory and to use the Trademark on or in association with the Licensed Products; and

WHEREAS, both LICENSEE and LICENSOR are in agreement with respect to the terms and conditions upon which LICENSEE shall use, manufacture, have manufactured and sell Licensed Products and use the Trademark;

NOW, THEREFORE, in consideration of the promises and agreements set forth herein, the parties, each intending to be legally bound hereby, do promise and agree as follows.

1. License Grant

A. LICENSOR hereby grants to LICENSEE, for the Term of this Agreement as recited in Schedule A attached hereto, the exclusive right and license to use, manufacture, have manufactured, sell, distribute and advertise the Licensed Products in the Territory. The license includes, but is not limited to, a license under any and all patents and copyrights and any applications therefore which have been filed or may be filed in the future with respect to the Property. B. LICENSOR hereby grants to LICENSEE for the Term of this Agreement as recited in Schedule A attached hereto, a royalty-free, exclusive license to use the Trademark on

F. "Net Sales" shall mean LICENSEE's gross sales (the gross invoice amount billed customers) of Licensed Products, less discounts and allowances actually shown on the invoice (except cash discounts not deductible in the calculation of Royalty) and, further, less any bona fide returns (net of all returns actually made or allowed as supported by credit memoranda actually issued to the customers). No other costs incurred in the manufacturing, selling, advertising, and distribution of the Licensed Products shall be deducted nor shall any deduction be allowed for any uncollectible accounts or allowances.

G. A Royalty obligation shall accrue upon the sale of the Licensed Products regardless of the time of collection by LICENSEE. I. The receipt or acceptance by LICENSOR of any royalty statement, or the receipt or acceptance of any royalty payment made, shall not prevent LICENSOR from subsequently challenging the validity or accuracy of such statement or payment.

J. Upon expiration or termination of this Agreement, all Royalty obligations, including any unpaid portions of the Guaranteed Minimum Royalty, shall be accelerated and shall immediately become due and payable.

K. LICENSEE's obligations for the payment of a Royalty and the Minimum Royalty shall survive expiration or termination of this Agreement and will continue for so long as LICENSEE continues to manufacture, sell or otherwise market the Licensed Products.

L. All payments due hereunder shall be made in United States currency drawn on a United States bank, unless otherwise specified between the parties.

M. Late payments shall incur interest at the rate of [Percentage] PERCENT ([#]%) per month from the date such payments were originally due.
