Re: MAGNAVOX V. ACTIVISION

Dear Tom:

We have now filed a motion within the ten day period permitted under the Appellate rules seeking reconsideration of Judge Legge's Order re Further Proceedings dated March 13, 1986 and for Amendment of the Judgment entered on that date. We have also sent a letter with a proposed order and Amended Judgment to Bob Ebe to file on Monday. If you have any comments let me know early on Monday. A copy of the letter and proposed documents are enclosed.

Also Activision has now filed another Notice of Appeal with the Court of Appeals for the Federal Circuit for the reasons set forth in our enclosed Motion to Judge Legge. We think the Notice of Appeal is defective and we are investigating the matter and in the process of preparing for filing with the Federal Circuit Motion to Dismiss the New Notice of Appeal on the ground that it does not comply with 28 U.S.C. 1292(c). You will note that we have set a hearing in California

keep you fully advised.
