A BILL

To prohibit economic espionage, to provide for the protection of United States proprietary economic information in interstate and foreign commerce, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.

25	ferred across State and national boundaries.

1	(b) Purpose.—The purpose of this Act is to promote
2	the development and lawful utilization of United States
