PART D—TELEVISION BROADCASTING TO CUBA¹

SEC. 241. [22 U.S.C. 1465aa nt] SHORT TITLE.

This part may be cited as the “Television Broadcasting to Cuba Act”.

SEC. 242. [22 U.S.C. 1465aa] FINDINGS AND PURPOSES.

The Congress finds and declares that—

(1) it is the policy of the United States to support the right of the people of Cuba to seek, receive, and impart information and ideas through any media and regardless of frontiers, in accordance with article 19 of the Universal Declaration of Human Rights;

(2) consonant with this policy, television broadcasting to Cuba may be effective in furthering the open communication of accurate information and ideas to the people of Cuba and, in particular, information about Cuba;

(3) television broadcasting to Cuba, operated in a manner not inconsistent with the broad foreign policy of the United States and in accordance with high professional standards, would be in the national interest;

(4) facilities broadcasting television programming to Cuba must be operated in a manner consistent with applicable regulations of the Federal Communications Commission, and must not affect the quality of domestic broadcast transmission or reception; and

¹Section 107(c) of the Cuban Liberty and Democratic Solidarity (LIBERTAD) Act of 1996 (P.L. 104-114; 110 Stat. 798) provides for the repeal of this Act “upon transmittal of a determination under section 203(c)(3)” of P.L. 104-114.

Section 203(c)(3) of P.L. 104-114 (110 Stat. 809) provides as follows:

(3) IMPLEMENTATION WITH RESPECT TO DEMOCRATICALLY ELECTED GOVERNMENT.—The President shall, upon determining that a democratically elected government in Cuba is in power, submit that determination to the appropriate congressional committees and shall, subject to an authorization of appropriations and subject to the availability of appropriations, commence the delivery and distribution of assistance to such democratically elected government under the plan developed under section 202(b).

(5) that¹ the Voice of America already broadcasts to Cuba information that represents America, not any single segment of American society, and includes a balanced and comprehensive projection of significant American thought and institutions, but that there is a need for television broadcasts to Cuba which provide news, commentary, and other information about events in Cuba and elsewhere to promote the cause of freedom in Cuba.

SEC. 243. [22 U.S.C. 1465bb] TELEVISION BROADCASTING TO CUBA.

(a) **TELEVISION BROADCASTING TO CUBA.**—In order to carry out the purposes set forth in section 242 and notwithstanding the limitation of section 501 of the United States Information and Educational Exchange Act of 1948 (22 U.S.C. 1461) with respect to the dissemination in the United States of information prepared for dissemination abroad to the extent such dissemination is inadvertent, the Broadcasting Board of Governors (hereafter in this part referred to as the “Agency”²) shall provide for the open communication of information and ideas through the use of television broadcasting to Cuba. Television broadcasting to Cuba shall serve as a consistently reliable and authoritative source of accurate, objective, and comprehensive news.

(b) **VOICE OF AMERICA STANDARDS.**—Television broadcasting to Cuba under this part shall be in accordance with all Voice of America standards to ensure the broadcast of programs which are objective, accurate, balanced, and which present a variety of views.

(c) **TELEVISION MARTI.**—Any program of United States Government television broadcasts to Cuba authorized by this section shall be designated “Television Marti Program”.

(d) **FREQUENCY ASSIGNMENT.**—

(1) Subject to the Communications Act of 1934, the Federal Communications Commission shall assign by order a suitable frequency to further the national interests expressed in this part, except that no such assignment shall result in objectionable interference with the broadcasts of any domestic licensee.

(2) No Federal branch or agency shall compel an incumbent domestic licensee to change its frequency in order to eliminate objectionable interference caused by broadcasting of the Service.

(3) For purposes of section 305 of the Communications Act of 1934, a television broadcast station established for purposes of this part shall be treated as a government station, but the Federal Communications Commission shall exercise the authority of the President under such section to assign a frequency to such station.

(e) **INTERFERENCE WITH DOMESTIC BROADCASTING.**—

(1) Broadcasting by the Television Marti Service shall be conducted in accordance with such parameters as shall be prescribed by the Federal Communications Commission to preclude objectionable interference with the broadcasts of any domestic licensee. The Television Marti Service shall be governed by the same standards regarding objectionable interference as

any domestic licensee. The Federal Communications Commission shall monitor the operations of television broadcasting to Cuba pursuant to subsection (f). If, on the basis of such monitoring or a complaint from any person, the Federal Communications Commission determines, in its discretion, that broadcasting by the Television Marti Service is causing objectionable interference with the transmission or reception of the broadcasts of a domestic licensee, the Federal Communications Commission shall direct the Television Marti Service to cease broadcasting and to eliminate the objectionable interference. Broadcasts by the Service shall not be resumed until the Federal Communications Commission finds that the objectionable interference has been eliminated and should not recur.

(2) The Federal Communications Commission shall take such actions as are necessary and appropriate to assist domestic licensees in overcoming the adverse effects of objectionable interference caused by broadcasting by the Television Marti Service. Such assistance may include the authorization of non-directional increases in the effective radiated power of a domestic television station so that its coverage is equivalent to the maximum allowable for such facilities, to avoid any adverse effect on such stations of the broadcasts of the Television Marti Service.

(3) If the Federal Communications Commission directs the Television Marti Service to cease broadcasting pursuant to paragraph (1), the Commission shall, as soon as practicable, notify the appropriate committees of Congress of such action and the reasons therefor. The Federal Communications Commission shall continue to notify the appropriate committees of Congress of progress in eliminating the objectionable interference and shall assure that Congress is fully informed about the operation of the Television Marti Service.

(f) MONITORING OF INTERFERENCE.—The Federal Communications Commission shall continually monitor and periodically report to the appropriate committees of the Congress interference to domestic broadcast licensees—

(1) from the operation of Cuban television and radio stations; and

(2) from the operations of the television broadcasting to Cuba.

(g) TASK FORCE.—It is the sense of the Congress that the President should establish a task force to analyze the level of interference from the operation of Cuban television and radio stations experienced by broadcasters in the United States and to seek a practical political and technical solution to this problem.

SEC. 244. [22 U.S.C. 1465cc] TELEVISION MARTI SERVICE.
