"(2) In a suit described in paragraph (1) for a violation described in that paragraph remedies (including remedies both at law and in equity) are available for the violation to the same extent as such remedies are available for such a violation in a suit against any public or private entity other than a State, instrumentality of a State, or officer or employee of a State acting in his or her official capacity. SEC. 4. EFFECTIVE DATE.

The amendments made by this Act shall take effect with respect to violations that occur on or after the date of the enactment of this Act.

Amend the title so as to read: "A bill to amend chapters 5 and 9 of title 17, United States Code, to clarify that States, instrumentalities of States, and officers and employees of States acting in their official capacity, are subject to suit in Federal court by any person for infringement of copyright and infringement of exclusive rights in mask works, and that all the remedies can be obtained in such suit that can be obtained in a suit against a private person or against other public entities."
