Dear Stephen,

Thanks very much for your letter of February 19, 1988. We will look forward to receiving the research information from Mr. Lorei, and once we've had a chance to digest that, we will get right back to you.

We will also apply the 30-40% factor you mentioned in your letter when reviewing the information.

I want to thank you again for setting up the meeting for us, and for your very kind hospitality while we were there.

Sincerely,

Carl B. Wootten
President
