[The 1979 general revision of the rules was accomplished by the adoption of S. Res. 274 on Nov. 14, 1979, a resolution submitted by Mr. Robert C. Byrd for himself and Mr. Baker; the preparation of the proposed revision was pursuant to the adoption of S. Res. 156 on May 10, 1976, a resolution by Mr. Robert C. Byrd; the general revision of the rules set forth in S. Res. 274 was somewhat altered in form by the adoption of S. Res. 389 on Mar. 25, 1980, to consolidate and renumber certain standing rules of the Senate.

[For the origin of various changes in Senate procedure since 1884 as set forth in rules changes, adopted resolutions, and Legislative Reorganization Acts, see Standing Rules of the United States Senate and Statutory Provisions Relating to Operation of the Senate, dated Apr. 10, 1979, and Rules and Manual, United States Senate, 1977 edition.] States Senate, 1977 edition.]

2. When a Senator declines to vote on call of his name, he shall be required to assign his reasons therefor, and having assigned them, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by him, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the rollcall and before the result is announced; and any further proceedings in reference thereto shall be after such announcement.

Every bill and joint resolution shall receive three readings previous to its passage which readings on demand of any Senator shall be on three different legislative days, and the Presiding Officer shall give notice at each reading whether it be the first, second, or third: Provided, That each reading may be by title only, unless

the Senate in any case shall otherwise order.

3. No bill or joint resolution shall be committed or amended until it shall have been twice read, after which it may be referred to a committee; bills and joint resolutions introduced on leave, and bills and joint resolutions from the House of Representatives, shall be read once, and may be read twice, if not objected to, on the same day for reference, but shall not be considered on that day nor debated, except for reference, unless by unanimous consent.

4. Every bill and joint resolution reported from a committee, not having previously been read, shall be read once, and twice, if not objected to, on the same day, and placed on the Calendar in the order in which the same may be reported; and every bill and joint resolution introduced on leave, and every bill and joint resolution of the House of Representatives which shall have received a first and second reading without being referred to a committee, shall, if objection be made to further proceeding thereon, be placed on the

Calendar.

5. All bills, amendments, and joint resolutions shall be examined under the supervision of the Secretary of the Senate before they go out of the possession of the Senate, and all bills and joint resolutions which shall have passed both Houses shall be examined under the supervision of the Secretary of the Senate, to see that the same are correctly enrolled, and, when signed by the Speaker of the House and the President of the Senate, the Secretary of the Senate shall forthwith present the same, when they shall have originated in the Senate, to the President of the United States and report the fact and date of such presentation to the Senate.

6. All other resolutions shall lie over one day for consideration, if not referred, unless by unanimous consent the Senate shall otherwise direct. When objection is heard to the immediate consideration of a resolution or motion when it is submitted, it shall be placed on the Calendar under the heading of "Resolutions and Motions over, under the Rule," to be laid before the Senate on the next legislative day when there is no further morning business but before the close of morning business and before the termination of

the morning hour.

7. When a bill or joint resolution shall have been ordered to be read a third time, it shall not be in order to propose amendments, unless by unanimous consent, but it shall be in order at any time before the passage of any bill or resolution to move its commitment; and when the bill or resolution shall again be reported from the committee it shall be placed on the Calendar.

8. When a bill or resolution is accompanied by a preamble, the question shall first be put on the bill or resolution and then on the preamble, which may be withdrawn by a mover before an amendment of the same, or ordering of the yeas and nays; or it may be laid on the table without prejudice to the bill or resolution, and

which shall not be withdrawn without leave.

3. If the question in debate contains several propositions, any Senator may have the same divided, except a motion to strike out and insert, which shall not be divided; but the rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert a different proposition; nor shall it prevent a motion simply to strike out; nor shall the rejection of a motion to strike out prevent a motion to strike out and insert. But pending a motion to strike out and insert, the part to be stricken out and the part to be inserted shall each be regarded for the purpose of amendment as a question; and motions to amend the part to be stricken out shall have precedence.

4. When an amendment proposed to any pending measure is laid on the table, it shall not carry with it, or prejudice, such measure.

5. It shall not be in order to consider any proposed committee amendment (other than a technical, clerical, or conforming amendment) which contains any significant matter not within the jurisdiction of the committee proposing such amendment.

THE RULE XVI HE STATE OF STATE

APPROPRIATIONS AND AMENDMENTS TO GENERAL APPROPRIATIONS BILLS

1. On a point of order made by any Senator, no amendments shall be received to any general appropriation bill the effect of which will be to increase an appropriation already contained in the bill, or to add a new item of appropriation, unless it be made to carry out the provisions of some existing law, or treaty stipulation, or act or resolution previously passed by the Senate during that session; or unless the same be moved by direction of the Committee on Appropriations or of a committee of the Senate having legislative jurisdiction of the subject matter, or proposed in pursuance of an estimate submitted in accordance with law.

2. The Committee on Appropriations shall not report an appropriation bill containing amendments to such bill proposing new or general legislation or any restriction on the expenditure of the funds appropriated which proposes a limitation not authorized by law if such restriction is to take effect or cease to be effective upon the happening of a contingency, and if an appropriation bill is reported to the Senate containing amendments to such bill proposing new or general legislation or any such restriction, a point of order may be made against the bill, and if the point is sustained, the bill shall be recommitted to the Committee on Appropriations.

3. All amendments to general appropriation bills moved by direction of a committee having legislative jurisdiction of the subject matter proposing to increase an appropriation already contained in the bill, or to add new items of appropriation, shall, at least one day before they are considered, be referred to the Committee on Appropriations, and when actually proposed to the bill no amendment proposing to increase the amount stated in such amendment

shall be received on a point of order made by any Senator.

4. On a point of order made by any Senator, no amendment offered by any other Senator which proposes general legislation shall be received to any general appropriation bill, nor shall any amendment not germane or relevant to the subject matter contained in the bill be received; nor shall any amendment to any item or clause of such bill be received which does not directly relate thereto; nor shall any restriction on the expenditure of the funds appropriated which proposes a limitation not authorized by law be received if such restriction is to take effect or cease to be effective upon the happening of a contingency; and all questions of relevancy of amendments under this rule, when raised, shall be submitted to the Senate and be decided without debate; and any such amendment or restriction to a general appropriation bill may be laid on the table without prejudice to the bill.

5. On a point of order made by any Senator, no amendment, the object of which is to provide for a private claim, shall be received to any general appropriation bill, unless it be to carry out the provisions of an existing law or a treaty stipulation, which shall be

cited on the face of the amendment.

6. When a point of order is made against any restriction on the expenditure of funds appropriated in a general appropriation bill on the ground that the restriction violates this rule, the rule shall be construed strictly and, in case of doubt, in favor of the point of order.

7. Every report on general appropriation bills filed by the Committee on Appropriations shall identify with particularity each recommended amendment which proposes an item of appropriation which is not made to carry out the provisions of an existing law, a treaty stipulation, or an act or resolution previously passed by the

Senate during that session.

8. On a point of order made by any Senator, no general appropriation bill or amendment thereto shall be received or considered if it contains a provision reappropriating unexpended balances of appropriations; except that this provision shall not apply to appropriations in continuation of appropriations for public works on which work has commenced.

RULE XVII

REFERENCE TO COMMITTEES; MOTIONS TO DISCHARGE; REPORTS OF COMMITTEES; AND HEARINGS AVAILABLE

1. Except as provided in paragraph 3, in any case in which a controversy arises as to the jurisdiction of any committee with respect to any proposed legislation, the question of jurisdiction shall be decided by the presiding officer, without debate, in favor of the committee which has jurisdiction over the subject matter which predominates in such proposed legislation; but such decision shall be subject to an appeal.

2. A motion simply to refer shall not be open to amendment,

except to add instructions.

3. (a) Upon motion by both the majority leader or his designee and the minority leader or his designee, proposed legislation may be referred to two or more committees jointly or sequentially. Notice of such motion and the proposed legislation to which it relates shall be printed in the Congressional Record. The motion shall be privileged, but it shall not be in order until the Congressional Record in which the notice is printed has been available to Senators for at least twenty-four hours. No amendment to any such motion shall be in order except amendments to any instructions contained therein. 2. Notwithstanding the provisions of rule II or rule IV or any other rule of the Senate, at any time a motion signed by sixteen Senators, to bring to a close the debate upon any measure, motion, other matter pending before the Senate, or the unfinished business, is presented to the Senate, the Presiding Officer, or clerk at the direction of the Presiding Officer, shall at once state the motion to the Senate, and one hour after the Senate meets on the following calendar day but one, he shall lay the motion before the Senate and direct that the clerk call the roll, and upon the ascertainment that a quorum is present, the Presiding Officer shall, without debate, submit to the Senate by a yea-and-nay vote the question:

"Is it the sense of the Senate that the debate shall be brought to

a close?"

And if that question shall be decided in the affirmative by threefifths of the Senators duly chosen and sworn—except on a measure or motion to amend the Senate rules, in which case the necessary affirmative vote shall be two-thirds of the Senators present and voting—then said measure, motion, or other matter pending before the Senate, or the unfinished business, shall be the unfinished business to the exclusion of all other business until disposed of.

Thereafter no Senator shall be entitled to speak in all more than one hour on the measure, motion, or other matter pending before the Senate, or the unfinished business, the amendments thereto, and motions affecting the same, and it shall be the duty of the Presiding Officer to keep the time of each Senator who speaks. Except by unanimous consent, no amendment shall be proposed after the vote to bring the debate to a close, unless it had been submitted in writing to the Journal Clerk by 1 o'clock p.m. on the day following the filling of the cloture motion if an amendment in the first degree, and unless it had been so submitted at least one hour prior to the beginning of the cloture vote if an amendment in the second degree. No dilatory motion, or dilatory amendment, or amendment not germane shall be in order. Points of order, including questions of relevancy, and appeals from the decision of the

Presiding Officer, shall be decided without debate.

After no more than one hundred hours of consideration of the measure, motion, or other matter on which cloture has been invoked, the Senate shall proceed, without any further debate on any question, to vote on the final disposition thereof to the exclusion of all amendments not then actually pending before the Senate at that time and to the exclusion of all motions, except a motion to table, or to reconsider and one quorum call on demand to establish the presence of a quorum (and motions required to establish a quorum) immediately before the final vote begins. The one hundred hours may be increased by the adoption of a motion, decided without debate, by a three-fifths affirmative vote of the Senators duly chosen and sworn, and any such time thus agreed upon shall be equally divided between and controlled by the Majority and Minority Leaders or their designees. However, only one motion to extend time, specified above, may be made in any one calendar day.

If, for any reason, a measure or matter is reprinted after cloture has been invoked, amendments which were in order prior to the reprinting of the measure or matter will continue to be in order and may be conformed and reprinted at the request of the amendment's sponsor. The conforming changes must be limited to linea-

tion and pagination.

No Senator shall call up more than two amendments until every

other Senator shall have had the opportunity to do likewise.

Notwithstanding other provisions of this rule, a Senator may yield all or part of his one hour to the majority or minority floor managers of the measure, motion, or matter or to the Majority or Minority Leader, but each Senator specified shall not have more than two hours so yielded to him and may in turn yield such time to other Senators.

Notwithstanding any other provision of this rule, any Senator who has not used or yielded at least ten minutes, is, if he seeks recognition, guaranteed up to ten minutes, inclusive, to speak only.

After cloture is invoked, the reading of any amendment, including House amendments, shall be dispensed with when the proposed amendment has been identified and has been available in printed form at the desk of the Members for not less than twenty-four hours.

When any such temporary increase is necessary to accord to the majority party a majority of the membership of all standing committees, members of the majority party in such number as may be required for that purpose may serve as members of three standing committees listed in paragraph 2. No such temporary increase in the membership of any standing committee under this subparagraph shall be continued in effect after the need therefor has ended. At the request of any such Senator, he shall be appointed to serve on such committee but, while serving on such committee and two other standing committees listed in paragraph 2, he may not serve on any committee listed in paragraph 3 (a) or (b). RULE XXVI

COMMITTEE PROCEDURE

1. Each standing committee, including any subcommittee of any such committee, is authorized to hold such hearings, to sit and act at such times and places during the sessions, recesses, and adjourned periods of the Senate, to require by subpena or otherwise the attendance of such witnesses and the production of such correspondence, books, papers, and documents, to take such testimony and to make such expenditures (not in excess of \$10,000 for each committee during any Congress) as it deems advisable. Each such committee may make investigations into any matter within its jurisdiction, may report such hearings as may be had by it, and may employ stenographic assistance at a cost not exceeding the amount prescribed by the Committee on Rules and Administration. The expenses of the committee shall be paid from the contingent fund of the Senate upon vouchers approved by the chairman.

2. Each committee² shall adopt rules (not inconsistent with the Rules of the Senate) governing the procedure of such committee. The rules of each committee shall be published in the Congressional Record not later than March 1 of each year, except that if any such committee is established on or after February 1 of a year, the rules of that committee during the year of establishment shall be published in the Congressional Record not later than sixty days after such establishment. An amendment to the rules of any such committee shall be published in the Congressional Record not later than thirty days after the adoption of such amendment. If the Congressional Record is not published on the last day of any period referred to above, such period shall be extended until the first day thereafter on which it is published.

3. Each standing committee (except the Committee on Appropriations) shall fix regular weekly, biweekly, or monthly meetings days for the transaction of business before the committee and additional meetings may be called by the chairman as he may

deem necessary. If at least three members of any such committee desire that a special meeting of the committee be called by the

committees unless otherwise specified.

¹ Pursuant to section 68c of title 2, United States Code, the Committee on Rules and Administration issues "Regulations Governing Rates Payable to Commercial Reporting Firms for Reporting Committee Hearings in the Senate." Copies of the regulations currently in effect may be obtained from the Committee.

² The term "each committee" when used in these rules includes standing, select, and special

chairman, those members may file in the offices of the committee their written request to the chairman for that special meeting. Immediately upon the filing of the request, the clerk of the committee shall notify the chairman of the filing of the request. If, within three calendar days after the filing of the request, the chairman does not call the requested special meeting, to be held within seven calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour of that special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour. If the chairman of any such committee is not present at any regular, additional, or special meeting of the committee, the ranking member of the majority party on the committee who is present shall preside at that meeting.

4. (a) Each committee (except the Committee on Appropriations and the Committee on the Budget) shall make public announcement of the date, place, and subject matter of any hearing to be conducted by the committee on any measure or matter at least one week before the commencement of that hearing unless the committee determines that there is good cause to begin such hearing at an

earlier date.

(b) Each committee (except the Committee on Appropriations) shall require each witness who is to appear before the committee in any hearing to file with the clerk of the committee, at least one day before the date of the appearance of that witness, a written statement of his proposed testimony unless the committee chairman and the ranking minority member determine that there is good cause for noncompliance. If so requested by any committee, the staff of the committee shall prepare for the use of the members of the committee before each day of hearing before the committee a digest of the statements which have been so filed by witnesses who are to appear before the committee on that day.

(c) After the conclusion of each day of hearing, if so requested by any committee, the staff shall prepare for the use of the members of the committee a summary of the testimony given before the committee on that day. After approval by the chairman and the ranking minority member of the committee, each such summary may be printed as a part of the committee hearings if such hear-

ings are ordered by the committee to be printed.

(d) Whenever any hearing is conducted by a committee (except the Committee on Appropriations) upon any measure or matter, the minority on the committee shall be entitled, upon request made by a majority of the minority members to the chairman before the completion of such hearing to call witnesses selected by the minority to testify with respect to the measure or matter during at least one day of hearing thereon.

5. (a) Notwithstanding any other provision of the rules, when the Senate is in session, no committee of the Senate or any subcommittee thereof may meet, without special leave, after the conclusion of the first two hours after the meeting of the Senate commenced and

in no case after two o'clock postmeridian unless consent therefor has been obtained from the majority leader and the minority leader (or in the event of the absence of either of such leaders, from his designee). The prohibition contained in the preceding sentence shall not apply to the Committee on Appropriations or the Committee on the Budget. The majority leader or his designee shall announce to the Senate whenever consent has been given under this subparagraph and shall state the time and place of such meeting. The right to make such announcement of consent shall

have the same priority as the filing of a cloture motion.

(b) Each meeting of a committee, or any subcommittee thereof, including meetings to conduct hearings, shall be open to the public, except that a meeting or series of meetings by a committee or a subcommittee thereof on the same subject for a period of no more than fourteen calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in clauses (1) through (6) would require the meeting to be closed, followed immediately by a record vote in open session by a majority of the members of the committee or subcommittee when it is determined that the matters to be discussed or the testimony to be taken at such meeting or meetings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of the

foreign relations of the United States;

(2) will relate solely to matters of committee staff personnel

or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise to expose an individual to public contempt or obloquy or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of any informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law en-

forcement;

(5) will disclose information relating to the trade secrets of financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees;

 \mathbf{or}

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(6) may divulge matters required to be kept confidential

under other provisions of law or Government regulations.

(c) Whenever any hearing conducted by any such committee or subcommittee is open to the public, that hearing may be broadcast by radio or television, or both, under such rules as the committee

or subcommittee may adopt.

(d) Whenever disorder arises during a committee meeting that is open to the public, or any demonstration of approval or disapproval is indulged in by any person in attendance at any such meeting, it shall be the duty of the Chair to enforce order on his own initiative and without any point of order being made by a Senator. When the Chair finds it necessary to maintain order, he shall have the power to clear the room, and the committee may act in closed session for so long as there is doubt of the assurance of order.

(e) Each committee shall prepare and keep a complete transcript or electronic recording adequate to fully record the proceeding of each meeting or conference whether or not such meeting or any part thereof is closed under this paragraph, unless a majority of its

members vote to forgo such a record.

6. Morning meetings of committees and subcommittees thereof shall be scheduled for one or both of the periods prescribed in this paragraph. The first period shall end at eleven o'clock antemeridian. The second period shall begin at eleven o'clock antemeridian

and end at two o'clock postmeridian.

7. (a) (1) Except as provided in this paragraph, each committee, and each subcommittee thereof is authorized to fix the number of its members (but not less than one-third of its entire membership) who shall constitute a quorum thereof for the transaction of such business as may be considered by said committee, except that no measure or matter or recommendation shall be reported from any committee unless a majority of the committee were physically present.

(2) Each such committee, or subcommittee, is authorized to fix a lesser number than one-third of its entire membership who shall constitute a quorum thereof for the purpose of taking sworn testi-

mony.

(3) The vote of any committee to report a measure or matter shall require the concurrence of a majority of the members of the committee who are present. No vote of any member of any committee to report a measure or matter may be cast by proxy if rules adopted by such committee forbid the casting of votes for that purpose by proxy; however, proxies may not be voted when the absent committee member has not been informed of the matter on which he is being recorded and has not affirmatively requested that he be so recorded. Action by any committee in reporting any measure or matter in accordance with the requirements of this subparagraph shall constitute the ratification by the committee of all action theretofore taken by the committee with respect to that measure or matter, including votes taken upon the measure or matter or any amendment thereto, and no point of order shall lie with respect to that measure or matter on the ground that such previous action with respect thereto by such committee was not taken in compliance with such requirements.

(b) Each committee (except the Committee on Appropriations) shall keep a complete record of all committee action. Such record shall include a record of the votes on any question on which a record vote is demanded. The results of rollcall votes taken in any meeting of any committee upon any measure, or any amendment

thereto, shall be announced in the committee report on that measure unless previously announced by the committee, and such announcement shall include a tabulation of the votes cast in favor of and the votes cast in opposition to each such measure and amendment by each member of the committee who was present at that meeting.

(c) Whenever any committee by rollcall vote reports any measure or matter, the report of the committee upon such measure or matter shall include a tabulation of the votes cast by each member of the committee in favor of and in opposition to such measure or matter. Nothing contained in this subparagraph shall abrogate the

power of any committee to adopt rules—

(1) providing for proxy voting on all matters other than the

reporting of a measure or matter, or

(2) providing in accordance with subparagraph (a) for a lesser number as a quorum for any action other than the reporting of a measure or matter.

8. (a) In order to assist the Senate in—

(1) its analysis, appraisal, and evaluation of the application, administration, and execution of the laws enacted by the Congress, and

(2) its formulation, consideration, and enactment of such modifications of or changes in those laws, and of such addition-

al legislation, as may be necessary or appropriate,

each standing committee (except the Committees on Appropriations and the Budget), shall review and study, on a continuing basis the application, administration, and execution of those laws, or parts of laws, the subject matter of which is within the legislative jurisdiction of that committee. Such committees may carry out the required analysis, appraisal, and evaluation themselves, or by contract, or may require a Government agency to do so and furnish a report thereon to the Senate. Such committees may rely on such techniques as pilot testing, analysis of costs in comparison with benefits, or provision for evaluation after a defined period of time.

(b) In each odd-numbered year, each such committee shall submit, not later than March 31, to the Senate, a report on the activities of that committee under this paragraph during the Con-

gress ending at noon on January 3 of such year.

9. Each committee which requires authorization for the expenditure of funds in excess of the amount specified in paragraph 1 of this rule shall offer one annual authorization resolution to procure such authorization. Each such annual authorization resolution shall include a specification of the amount of all such funds sought by such committee. The annual authorization resolution of any committee shall be offered not later than January 31 of that year, except that, whenever the designation of members of committees occurs during the first session of any Congress at a date later than January 20, such resolution may be offered at any time within thirty days after the date on which the members of such committees are designated. After the date on which an annual authorization resolution has been offered by any committee in any year, such committee in that year may procure authorization for additional expenditures only by offering a supplemental authorization resolution. Each such supplemental authorization resolution shall

include a specification of the amount of all supplemental funds sought by that committee. Each such supplemental authorization resolution shall amend the annual authorization resolution of such committee for that year unless the committee offered no annual authorization resolution for that year, in which case the committee's supplemental authorization resolution shall not be an amendment to any other resolution and any subsequent supplemental authorization resolution of such committee for the same year shall amend the first such resolution offered by the committee for that year. Each such supplemental resolution reported by such committee shall be accompanied by a report to the Senate specifying with particularity the purpose for which such authorization is sought and the reason why such authorization could not have been sought at the time of, or within the period provided for, the submission by such committee of an annual authorization resolution for that year. This paragraph shall not apply to any resolution requesting funds in addition to the amount specified in paragraph 1 of this rule and which are to be expended only for the same purposes for which such amount may be expended. This subparagraph does not apply to the Committee on Appropriations.

10. (a) All committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the Member serving as chairman of the committee; and such records shall be the property of the Senate and all members of the committee and the Senate shall have access to such records. Each committee is authorized to have printed and bound such testimony and other data presented at hearings held by the com-

mittee.

(b) It shall be the duty of the chairman of each committee to report or cause to be reported promptly to the Senate any measure approved by his committee and to take or cause to be taken necessary steps to bring the matter to a vote. In any event, the report of any committee upon a measure which has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the Senate is not in session) after the day on which there has been filed with the clerk of the committee a written and signed request of a majority of the committee for the reporting of that measure. Upon the filing of any such request, the clerk of the committee shall transmit immediately to the chairman of the committee notice of the filing of that request. This subparagraph does not apply to the Committee on Appropriations.

(c) If at the time of approval of a measure or matter by any committee (except for the Committee on Appropriations), any member of the committee gives notice of intention to file supplemental, minority, or additional views, that member shall be entitled to not less than three calendar days in which to file such views, in writing, with the clerk of the committee. All such views so filed by one or more members of the committee shall be included within, and shall be a part of, the report filed by the committee with respect to that measure or matter. The report of the committee upon that measure or matter shall be printed in a single

volume which—

(1) shall include all supplemental, minority, or additional views which have been submitted by the time of the filing of the report, and

(2) shall bear upon its cover a recital that supplemental, minority, or additional views are included as part of the

report.

This subparagraph does not preclude—

(A) the immediate filing and printing of a committee report unless timely request for the opportunity to file supplemental, minority, or additional views has been made as provided by this subparagraph; or

(B) the filing by any such committee of any supplemental report upon any measure or matter which may be required for the correction of any technical error in a previous report made

by that committee upon that measure or matter.

11. (a) The report accompanying each bill or joint resolution of a public character reported by any committee (except the Committee on Appropriations and the Committee on the Budget) shall contain—

(1) an estimate, made by such committee, of the costs which would be incurred in carrying out such bill or joint resolution in the fiscal year in which it is reported and in each of the five fiscal years following such fiscal year (or for the authorized duration of any program authorized by such bill or joint resolution, if less than five years), except that, in the case of measures affecting the revenues, such reports shall require only an estimate of the gain or loss in revenues for a one-year period; and

(2) a comparison of the estimate of costs described in subparagraph (1) made by such committee with any estimate of costs

made by any Federal agency; or

(3) in lieu of such estimate or comparison, or both, a statement of the reasons why compliance by the committee with the requirements of subparagraph (1) or (2), or both, is impracticable.

(b) each such report (except those by the Committee on Appropriations) shall also contain—

(1) an evaluation, made by such committee, of the regulatory impact which would be incurred in carrying out the bill or joint resolution. The evaluation shall include (A) an estimate of the numbers of individuals and businesses who would be regulated and a determination of the groups and classes of such individuals and businesses, (B) a determination of the economic impact of such regulation on the individuals, consumers, and businesses affected, (C) a determination of the impact on the personal privacy of the individuals affected, and (D) a determination of the amount of additional paperwork that will result from the regulations to be promulgated pursuant to the bill or joint resolution, which determination may include, but need not be limited to, estimates of the amount of time and financial costs required of affected parties, showing whether the effects of the bill or joint resolution could be substantial, as well as reasonable estimates of the recordkeeping requirements that may be associated with the bill or joint resolution;

(2) in lieu of such evaluation, a statement of the reasons why compliance by the committee with the requirements of clause

(1) is impracticable.

(c) It shall not be in order for the Senate to consider any such bill or joint resolution if the report of the committee on such bill or joint resolution does not comply with the provisions of subpara-

graphs (a) and (b) on the objection of any Senator.

12. Whenever a committee reports a bill or a joint resolution repealing or amending any statute or part thereof it shall make a report thereon and shall include in such report or in an accompanying document (to be prepared by the staff of such committee) (a) the text of the statute or part thereof which is proposed to be repealed; and (b) a comparative print of that part of the bill or joint resolution making the amendment and of the statute or part thereof proposed to be amended, showing by stricken-through type and italics, parallel columns, or other appropriate typographical devices the omissions and insertions which would be made by the bill or joint resolution if enacted in the form recommended by the committee. This paragraph shall not apply to any such report in which it is stated that, in the opinion of the committee, it is necessary to dispense with the requirements of this subsection to expedite the business of the Senate.

13. (a) Each committee (except the Committee on Appropriations) which has legislative jurisdiction shall, in its consideration of all bills and joint resolutions of a public character within its jurisdic-

tion, endeavor to insure that—

(1) all continuing programs of the Federal Government and of the government of the District of Columbia, within the jurisdiction of such committee or joint committee, are designed; and

(2) all continuing activities of Federal agencies, within the jurisdiction of such committee or joint committee, are carried

so that, to the extent consistent with the nature, requirements, and objectives of those programs and activities, appropriations therefor

will be made annually.

(b) Each committee (except the Committee on Appropriations) shall with respect to any continuing program within its jurisdiction for which appropriations are not made annually, review such program, from time to time, in order to ascertain whether such program could be modified so that appropriations therefor would be The constitution of the control of t made annually.

COMMITTEE STAFF

1. (a) Each standing committee (other than the Committee on Appropriations) is authorized to appoint, by majority vote of the committee, not more than six professional staff members in addition to the clerical staffs. Such professional staff members shall be assigned to the chairman and the ranking minority member of such committee as the committee may deem advisable, except that whenever a majority of the minority members of such committee so request, two of such professional staff members may be selected for appointment by majority vote of the minority members and the committee shall appoint any staff members so selected. A staff member or members appointed pursuant to a request by the minority members of the committee shall be assigned to such committee business as such minority members deem advisable. Services of professional staff members appointed by a majority vote of the committee may be terminated by a majority vote of the committee and services of professional staff members appointed pursuant to a request by the minority members of the committee shall be terminated by the committee when a majority of such minority members so request. Professional staff members authorized by this subparagraph shall be appointed on a permanent basis, without regard to political affiliation, and solely on the basis of fitness to perform the duties of their respective positions. Such professional staff members shall not engage in any work other than committee business and no other duties may be assigned to them.

(b) Subject to appropriations which it shall be in order to include in appropriation bills, the Committee on Appropriations is authorized to appoint such staff, in addition to the clerk thereof and assistants for the minority, as that committee, by a majority vote, shall determine to be necessary, such personnel, other than the minority assistants, to possess such qualifications as the committee

may prescribe.

(c) The clerical staff of each standing committee (other than the Committee on Appropriations), which shall be appointed by a majority vote of the committee, shall consist of not more than six clerks to be attached to the office of the chairman, to the ranking minority member and to the professional staff, as the committee may deem advisable, except that whenever a majority of the minority members of such committee so requests, one of the members of the clerical staff may be selected for appointment by majority vote of such minority members and the committee shall appoint any staff member so selected. The clerical staff shall handle committee correspondence and stenographic work, both for the committee staff and for the chairman and ranking minority member on matters related to committee work, except that if a member of the clerical staff is appointed pursuant to a request by the minority members of the committee, such clerical staff member shall handle committee correspondence and stenographic work for the minority members of the committee and for any members of the committee staff appointed under subparagraph (a) pursuant to request by such minority members, on matters related to committee work. Services of clerical staff members appointed by majority vote of the committee may be terminated by majority vote of the committee and services of clerical staff members appointed pursuant to a request by the minority members of the committee shall be terminated by the committee when a majority of such minority members so reauest.

(d) In any case in which a request for the appointment of a minority staff member under subparagraph (a) or subparagraph (c)

is made at any time when no vacancy exists to which the appoint-

ment requested may be made—

(1) the person appointed pursuant to such a request under subparagraph (a) may serve in addition to any other professional staff members authorized by such subsection and may be paid from the contingent fund of the Senate until such time as such a vacancy occurs, at which time such person shall be considered to have been appointed to such vacancy; and

(2) the person appointed pursuant to such a request under subparagraph (c) may serve in addition to any other clerical staff members authorized by such subparagraph and may be paid, until otherwise provided, from the contingent fund of the

Senate.

2. (a) Staff members appointed pursuant to a request by minority members of a committee under subparagraph (a) or subparagraph (c) of paragraph 1, and staff members appointed to assist minority members of committees pursuant to authority of a resolution described in paragraph 9 of rule XXVI or other Senate resolution, shall be accorded equitable treatment with respect to the fixing of salary rates, the assignment of facilities, and the accessibility of committee records.

(b) The minority shall receive fair consideration in the appointment of staff personnel pursuant to authority of a resolution de-

scribed in paragraph 9 of rule XXVI.

(c) The staffs of committees (including personnel appointed pursuant to authority of paragraph 1 and personnel appointed pursuant to authority of a resolution described in paragraph 9 of rule XXVI or other Senate resolution) should reflect the relative number of majority and minority members of committees. A majority of the minority members of any committee may, by resolution, request that at least one-third of all funds of the committee for personnel (other than those funds determined by the chairman and ranking minority member to be allocated for the administrative and clerical functions of the committee as a whole) be allocated to the minority members of such committee for compensation of minority staff as the minority members may decide. The committee shall thereafter adjust its budget to comply with such resolution. Such adjustment shall be equitably made over a four-year period, commencing July 1, 1977, with not less than one-half being made in two years. Upon request by a majority of the minority members of any committee by resolution, proportionate space, equipment, and facilities shall be provided for such minority staff.

(d) No committee shall appoint to its staff any experts or other personnel detailed or assigned from any department or agency of the Government, except with the written permission of the Com-

mittee on Rules and Administration.

RULE XXVIII

CONFERENCE COMMITTEES: REPORTS: OPEN MEETINGS

1. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the

Senate is voting or ascertaining the presence of a quorum; and when received the question of proceeding to the consideration of the report, if raised, shall be immediately put, and shall be deter-

mined without debate.

2. Conferees shall not insert in their report matter not committed to them by either House, nor shall they strike from the bill matter agreed to by both Houses. If new matter is inserted in the report, or if matter which was agreed to by both Houses is stricken from the bill, a point of order may be made against the report, and if the point of order is sustained, the report is rejected or shall be recommitted to the committee of conference if the House of Representatives has not already acted thereon.

3. (a) In any case in which a disagreement to an amendment in the nature of a substitute has been referred to conferees, it shall be in order for the conferees to report a substitute on the same subject matter; but they may not include in the report matter not committed to them by either House. They may, however, include in their report in any such case matter which is a germane modification of

subjects in disagreement.

(b) In any case in which the conferees violate subparagraph (a),

the conference report shall be subject to a point of order.

4. Each report made by a committee of conference to the Senate shall be printed as a report of the Senate. As so printed, such report shall be accompanied by an explanatory statement prepared jointly by the conferees on the part of the House and the conferees on the part of the Senate. Such statement shall be sufficiently detailed and explicit to inform the Senate as to the effect which the amendments or propositions contained in such report will have upon the measure to which those amendments or propositions relate.

5. If time for debate in the consideration of any report of a committee of conference upon the floor of the Senate is limited, the time allotted for debate shall be equally divided between the major-

ity party and the minority party.

Each conference committee between the Senate and the House of Representatives shall be open to the public except when managers of either the Senate or the House of Representatives in open session determine by a rollcall vote of a majority of those managers present, that all or part of the remainder of the meeting on the day of the vote shall be closed to the public.

RULE XXIX EXECUTIVE SESSIONS

1. When the President of the United States shall meet the Senate in the Senate Chamber for the consideration of Executive business, he shall have a seat on the right of the Presiding Officer. When the Senate shall be convened by the President of the United States to any other place, the Presiding Officer of the Senate and the Senators shall attend at the place appointed, with the necessary officers of the Senate.

2. When acting upon confidential or Executive business, unless the same shall be considered in open Executive session, the Senate Chamber shall be cleared of all persons except the Secretary, the Assistant Secretary, the Principal Legislative Clerk, the Parliamentarian, the Executive Clerk, the Minute and Journal Clerk, the Sergeant at Arms, the Secretaries to the Majority and the Minority, and such other officers as the Presiding Officer shall think necessary; and all such officers shall be sworn to secrecy.

3. All confidential communications made by the President of the United States to the Senate shall be by the Senators and the officers of the Senate kept secret; and all treaties which may be laid before the Senate, and all remarks, votes, and proceedings thereon shall also be kept secret, until the Senate shall, by their

resolution, take off the injunction of secrecy.

4. Whenever the injunction of secrecy shall be removed from any part of the proceedings of the Senate in closed Executive or legislative session, the order of the Senate removing the same shall be entered in the Legislative Journal as well as in the Executive Journal, and shall be published in the Congressional Record under the direction of the Secretary of the Senate.

5. Any Senator or officer of the Senate who shall disclose the secret or confidential business or proceedings of the Senate shall be liable, if a Senator, to suffer expulsion from the body; and if an officer, to dismissal from the service of the Senate, and to punish-

ment for contempt.

6. Whenever, by the request of the Senate or any committee thereof, any documents or papers shall be communicated to the Senate by the President or the head of any department relating to any matter pending in the Senate, the proceedings in regard to which are secret or confidential under the rules, said documents and papers shall be considered as confidential, and shall not be disclosed without leave of the Senate.

RULE XXX

EXECUTIVE SESSION—PROCEEDINGS ON TREATIES

1. (a) When a treaty shall be laid before the Senate for ratification, it shall be read a first time; and no motion in respect to it shall be in order, except to refer it to a committee, to print it in confidence for the use of the Senate, or to remove the injunction of

secrecy.

(b) When a treaty is reported from a committee with or without amendment, it shall, unless the Senate unanimously otherwise direct, lie over one day for consideration; after which it may be read a second time on demand and considered as in Committee of the Whole, when it shall be proceeded with by articles, and the amendments reported by the committee shall be first acted upon, after which other amendments may be proposed; and when through with, the proceedings had as in Committee of the Whole shall be reported to the Senate, when the question shall be, if the treaty be amended, "Will the Senate concur in the amendments made in Committee of the Whole?" And the amendments may be taken separately, or in gross, if no Senator shall object; after which new amendments may be proposed. At any stage of such proceed-

ings the Senate may remove the injunction of secrecy from the

treaty.

(c) The decisions thus made shall be reduced to the form of a resolution of ratification, with or without amendments, as the case may be, which shall be proposed on a subsequent day, unless, by unanimous consent, the Senate determine otherwise, at which stage no amendment to the treaty shall be received unless by unanimous consent; but the resolution of ratification when pending shall be open to amendment in the form of reservations, declarations, statements, or understandings.

(d) On the final question to advise and consent to the ratification in the form agreed to, the concurrence of two-thirds of the Senators present shall be necessary to determine it in the affirmative; but all other motions and questions upon a treaty shall be decided by a majority vote, except a motion to postpone indefinitely, which shall

be decided by a vote of two-thirds.

2. Treaties transmitted by the President to the Senate for ratification shall be resumed at the second or any subsequent session of the same Congress at the stage in which they were left at the final adjournment of the session at which they were transmitted; but all proceedings on treaties shall terminate with the Congress, and they shall be resumed at the commencement of the next Congress as if no proceedings had previously been had thereon.

TO THE RULE XXXI

EXECUTIVE SESSION—PROCEEDINGS ON NOMINATIONS

1. When nominations shall be made by the President of the United States to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees; and the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received, nor on the day on which it may be reported by a committee, unless by unanimous consent.

2. All business in the Senate shall be transacted in open session, unless the Senate as provided in rule XXI by a majority vote shall determine that a particular nomination, treaty, or other matter shall be considered in closed executive session, in which case all subsequent proceedings with respect to said nomination, treaty, or other matter shall be kept secret: *Provided*, That the injunction of secrecy as to the whole or any part of proceedings in closed executive session may be removed on motion adopted by a majority vote of the Senate in closed executive session: *Provided further*, That any Senator may make public his vote in closed executive session.

3. When a nomination is confirmed or rejected, any Senator voting in the majority may move for a reconsideration on the same day on which the vote was taken, or on either of the next two days of actual executive session of the Senate; but if a notification of the confirmation or rejection of a nomination shall have been sent to the President before the expiration of the time within which a motion to reconsider may be made, the motion to reconsider shall be accompanied by a motion to request the President to return such notification to the Senate. Any motion to reconsider the vote

on a nomination may be laid on the table without prejudice to the

nomination, and shall be a final disposition of such motion.

4. Nominations confirmed or rejected by the Senate shall not be returned by the Secretary to the President until the expiration of the time limited for making a motion to reconsider the same, or while a motion to reconsider is pending unless otherwise ordered by the Senate.

5. When the Senate shall adjourn or take a recess for more than thirty days, all motions to reconsider a vote upon a nomination which has been confirmed or rejected by the Senate, which shall be pending at the time of taking such adjournment or recess, shall fall; and the Secretary shall return all such nominations to the President as confirmed or rejected by the Senate, as the case may

be.

6. Nominations neither confirmed nor rejected during the session at which they are made shall not be acted upon at any succeeding session without being again made to the Senate by the President; and if the Senate shall adjourn or take a recess for more than thirty days, all nominations pending and not finally acted upon at the time of taking such adjourment or recess shall be returned by the Secretary to the President, and shall not again be considered unless they shall again be made to the Senate by the President.

7. (a) The Official Reporters shall be furnished with a list of nominations to office after the proceedings of the day on which they are received, and a like list of all confirmations and rejections.

(c) The Secretary shall furnish to the press, and to the public upon request, the names of nominees confirmed or rejected on the day on which a final vote shall be had, except when otherwise ordered by the Senate.

RULE XXXIV

PUBLIC FINANCIAL DISCLOSURE

For purposes of this rule, the provisions of title I of the Ethics in Government Act of 1978 shall be deemed to be a rule of the Senate as it pertains to Members, officers, and employees of the Senate.

RULE XXXV

1. (a) No Member, officer, or employee of the Senate, or the spouse or dependent thereof, shall knowingly accept, directly or indirectly, any gift or gifts having an aggregate value exceeding \$100 during a calendar year directly or indirectly from any person, organization, or corporation having a direct interest in legislation before the Congress or from any foreign national unless, in an unusual case, a waiver is granted by the Select Committee on Ethics. In determining whether an individual has accepted any gift or gifts having an aggregate value exceeding \$100 during a calendar year from any person, organization, or corporation, there may be deducted the aggregate value of gifts (other than gifts described in subparagraph (c)) given by such individual to such person, organization, or corporation during that calendar year.

(b) For purposes of subparagraph (a), only the following shall be deemed to have a direct interest in legislation before the Congress:

(1) a person, organization, or corporation registered under the Federal Regulation of Lobbying Act of 1946, or any successor statute, a person who is an officer or director of such a registered lobbyist, or a person who has been employed or retained by such a registered lobbyist for the purpose of influencing legislation before the Congress; or

(2) a corporation, labor organization, or other organization which maintains a separate segregated fund for political purposes (within the meaning of Section 321 of the Federal Election Campaign Act of 1971 (2 U.S.C. 441b)), a person who is an officer or director of such corporation, labor organization, or

other organization, or a person who has been employed or retained by such corporation, labor organization, or other organization for the purpose of influencing legislation before the Congress.

(c) The prohibitions of subparagraph (a) do not apply to gifts—

(1) from relatives:

(2) with a value of less than \$35;

(3) of personal hospitality of an individual; or

(4) from an individual who is a foreign national if that individual is not acting, directly or indirectly, on behalf of a foreign corporation, partnership or business enterprise, a foreign trade, cultural, educational or other association, a foreign political party or a foreign government.

2. For purposes of this rule—

(a) the term "gift" means a payment, subscription, advance, forbearance, rendering, or deposit of money, services, or anything of value, including food, lodging, transportation, or entertainment, and reimbursement for other than necessary expenses, unless consideration of equal or greater value is received, but does not include (1) a political contribution otherwise reported as required by law, (2) a loan made in a commercially reasonable manner (including requirements that the loan be repaid and that a reasonable rate of interest be paid), (3) a bequest, inheritance, or other transfer at death, (4) a bona fide award presented in recognition of public service and available to the general public, (5) a reception at which the Member, officer, or employee is to be honored, provided such individual receives no other gifts that exceed the restrictions in this rule, other than a suitable memento, (6) meals, beverages, or entertainment consumed or enjoyed, provided the meals, beverages, or entertainment are not consumed or enjoyed in connection with a gift of overnight lodging, or (7) anything of value given to a spouse or dependent of a reporting individual by the employer of such spouse or dependent in recognition of the service provided by such spouse or dependent; and

(b) the term "relative" has the same meaning given to such term in section 107(2) of title I of the Ethics in Government

Act of 1978 (Public Law 95–521).

3. If a Member, officer, or employee, after exercising reasonable diligence to obtain the information necessary to comply with this rule, unknowingly accepts a gift described in paragraph 1, such Member, officer, or employee shall, upon learning of the nature of the gift and its source, return the gift or, if it is not possible to return the gift, reimburse the donor for the value of the gift.

4. (a) Notwithstanding the provisions of this rule, a Member, officer, or employee of the Senate may participate in a program, the principal objective of which is educational, sponsored by a foreign government or a foreign educational or charitable organization involving travel to a foreign country paid for by that foreign government or organization if such participation is not in violation of any law and if the Select Committee on Ethics has determined that participation in such program by Members, officers, or em-

ployees of the Senate is in the interests of the Senate and the United States.

(b) Any Member who accepts an invitation to participate in any such program shall notify the Select Committee in writing of his acceptance. A Member shall also notify the Select Committee in writing whenever he has permitted any officer or employee whom he supervises (within the meaning of paragraph 11 of rule XXXVII) to participate in any such program. Prior to the beginning of any such program, the chairman of the Select Committee shall place in the Congressional Record a list of all individuals participating; the supervisors of such individuals, where applicable; and the nature and itinerary of such program.

3. (a) For purposes of this rule, the term "outside earned income" shall, subject to the provisions of subparagraph (b), mean any income earned by an individual (other than the salary received as a Senator or officer or employee of the Senate) which is compensation received as a result of personal services actually rendered.

RULE XXXVII

CONFLICT OF INTEREST

1. A Member, officer, or employee of the Senate shall not receive any compensation, nor shall he permit any compensation to accrue to his beneficial interest from any source, the receipt or accrual of which would occur by virtue of influence improperly exerted from his position as a Member, officer, or employee.

2. No Member, officer, or employee shall engage in any outside business or professional activity or employment for compensation which is inconsistent or in conflict with the conscientious perform-

ance of official duties.

3. 1. No officer or employee of the Senate may receive, solicit, be a custodian of, or distribute any funds in connection with any campaign for the nomination for election, or the election, of any individual to be a Member of the Senate or to any other Federal office. This prohibition does not apply to two assistants to a Senator, at least one of whom is in Washington, District of Columbia, who have been designated by that Senator to perform any of the functions described in the first sentence of this paragraph and who are compensated at an annual rate in excess of \$10, if such designation has been made in writing and filed with the Secretary of the Senate and if each such assistant files a financial statement in the form provided under rule XXXIV for each year during which he is designated under this rule. The Secretary of the Senate shall make the designation available for public inspection.

For purposes of the Senate Code of Official Conduct—

(a) an employee of the Senate includes any employee whose

salary is disbursed by the Secretary of the Senate; and

(b) the compensation of an officer or employee of the Senate who is a reemployed annuitant shall include amounts received by such officer or employee as an annuity, and such amounts shall be treated as disbursed by the Secretary of the Senate.

3. Before approving the utilization by any committee of the Senate of the services of an officer or employee of the Government in accordance with paragraph 2(d) of rule XXVII or with an authorization provided by Senate resolution, the Committee on Rules and Administration shall require such officer or employee to agree in writing to comply with the Senate Code of Official Conduct in the same manner and to the same extent as an employee of the Senate. Any such officer or employee shall, for purposes of such

Code, be treated as an employee of the Senate receiving compensation disbursed by the Secretary of the Senate in an amount equal to the amount of compensation he is receiving as an officer or

employee of the Government.

4. No Member, officer, or employee of the Senate shall utilize the full-time services of an individual for more than ninety days in a calendar year in the conduct of official duties of any committee or office of the Senate (including a Member's office) unless such individual—

(a) is an officer or employee of the Senate,

(b) is an officer or employee of the Government (other than

the Senate), or

(c) agrees in writing to comply with the Senate Code of Official Conduct in the same manner and to the same extent

as an employee of the Senate.

Any individual to whom subparagraph (c) applies shall, for purposes of such Code, be treated as an employee of the Senate receiving compensation disbursed by the Secretary of the Senate in an amount equal to the amount of compensation which such individual is receiving from any source for performing such services.

5. In exceptional circumstances for good cause shown, the Select Committee on Ethics may waive the applicability of any provision of the Senate Code of Official Conduct to an employee hired on a

per diem basis.

6. (a) The supervisor of an individual who performs services for any Member, committee, or office of the Senate for a period in excess of four weeks and who receives compensation therefor from any source other than the United States Government shall report to the Select Committee on Ethics with respect to the utilization of the services of such individual.

(b) A report under subparagraph (a) shall be made with respect

to an individual—

(1) when such individual begins performing services described in such subparagraph;

(2) at the close of each calendar quarter while such individu-

al is performing such services; and

(3) when such individual ceases to perform such services. Each such report shall include the identity of the source of the compensation received by such individual and the amount or rate of compensation paid by such source.

(c) No report shall be required under subparagraph (a) with respect to an individual who normally performs services for a Member, committee, or office for less than eight hours a week.

(d) For purposes of this paragraph, the supervisor of an individual shall be determined under paragraph 11 of rule XXXVII.

(a) fail or refuse to hire an individual;

(b) discharge an individual; or
