6 SEC. 201. DEFINITIONS.—As used in this chapter
7. '(a) The term 'Federal agency' means any execu-
tive agency as defined in section 105 of title 5, United
9 States Code, and the military departments as defined
by section 102 of title 5, United States Code.
11 in the first of the term funding agreement means any
contract, grant, or cooperative agreement entered into
13 between any Federal agency and any person for the
14 performance of experimental, developmental, or re-
search work funded in whole or in part by the Federa
16 Government. Such term includes any assignment, sub-
17 stitution of parties, or subcontract of any type entered
18 into for the performance of experimental, developmen
19 tal, or research work under a funding agreement as
20 herein defined.
21 "(c) The term 'contractor' means any person that
22 party to funding agreement.
23 "(d) The term 'invention' means any invention or
24 discovery which is or may be patentable or otherwise
25. protectable under this title. See this title is the this title.

1 '(e) The term 'subject invention' means	any	in-
2 vention of the contractor conceived or first act	ually	rë-
3 duced to practice in the performance of work	unde	\mathbf{r} a
4 shor funding agreement. w two this value as a siden	38654	Â,
5 "(f) The term 'practical application'	neans	ŧο
6 manufacture in the case of a composition or pr	oduct,	to,
7 practice in the case of a process or method, or	to op	er-
ate in the case of a machine or system; and,	, in ea	ach
9 case, under such conditions as to establish the	it the	in-
vention is being utilized and that its benefits a	re to	the
11 extent permitted by law or Government re	gulati	oñs

- -3 "SEC. 202. DISPOSITION OF RIGHTS.—(a) Each non-
- 4 profit organization or small business firm may, within a rea-
- 5 sonable time after disclosure as required by paragraph (c)(1)
- 6 of this section, elect to retain title to any subject invention:
- 7 Provided, however, That a funding agreement may provide
- 8 otherwise (i) when the subject invention is made under a con-
- 9 tract for the operation of a Government-owned research or
- 10 production facility, or (ii) in exceptional circumstances when
- 11 it is determined by the agency that restriction or elimination
- 12 of the right to retain title to any subject invention will better
- 13 promote the policy and objectives of this chapter. The rights
- 14 of the nonprofit organization or small business firm shall be
- 15 subject to the provisions of paragraph (c) of this section and
- 16: the other provisions of this chapter. Despend the applicant [1]
- 17 "(b)(1) Any determination under (ii) of paragraph (a) of
- 18 this section shall be in writing and accompanied by a written
- 19 statement of facts justifying the determination A copy of
- 20 each such determination and justification shall be sent to the
- 21 Comptroller General of the United States within thirty days
- 22 after the award of the applicable funding agreement. In the
- 23 case of determinations applicable to funding agreements with
- 24 small business firms copies shall also be sent to the Chief
- 25 Counsel for Advocacy of the Small Business Administration.

1 "(2) If the Comptroller General believes that any pat-
2 tern of determinations by a Federal agency is contrary to the
3 policy and objectives of this chapter or that an agency's poli-
4 cies or practices are otherwise not in conformance with this
5 chapter, the Comptroller General shall so advise the head of
6 the agency. The head of the agency shall advise the Comp-
7 troller General in writing within one hundred twenty days of
8 what action, if any, the agency has taken or plans to take
9 with respect to the matters raised by the Comptroller
10 General. Paus de la made pour es (il) es viii et mois descap di
11 (3) At least once each year, the Comptroller General
12 shall transmit a report to the Committees on Judiciary of the
13 Senate and House of Representatives on the manner in
14 which this chapter is being implemented by the agencies and
15 on such other aspects of Government patent policies and
16 practices with respect to federally funded inventions as the
17 Comptroller General believes appropriate. (A. (1969)
18 "(c) Each funding agreement with a small business firm
19 or nonprofit organization shall contain appropriate provisions
20 to effectuate the following: has societies as in himselface. Of
21 "(1) A requirement that the contractor disclose
22 each subject invention to the Federal agency within a
23 reasonable time after it is made and that the Federal
24 Government may receive title to any subject invention
25 as a not reported to it within such time.

1 (2) A requirement that the contractor make an
election to retain title to any subject invention within a
3 reasonable time after disclosure and that the Federal
4 Government may receive title to any subject invention
5 in which the contractor does not elect to retain rights
or fails to elect rights within such time.
7 "(3) A requirement that a contractor electing
8 rights file patent applications within reasonable times
9 and that the Federal Government may receive title to
10 any subject inventions in the United States or other
11 countries in which the contractor has not filed patent
applications on the subject invention within such times.
13 "(4) With respect to any invention in which the
contractor elects rights, the Federal agency shall have
15 a nonexclusive, nontransferable, irrevocable, paid-up li-
16 cense to practice or have practiced for or one behalf of
17 the United States any subject invention throughout the
world, and may, if provided in the funding agreement,
19 have additional rights to sublicense any foreign govern-
20 ment pursuant to any existing or future treaty or
21 is a stagreement. See also the samples of the samples of the
22 "(5) The right of the Federal agency to require
23 periodic reporting on the utilization or efforts at obtain-
24 ing utilization that are being made by the contractor or
25 his licensees or assignees: Provided, That any such in-

1 man formation may be treated by the Federal agency as
2 commercial and financial information obtained from a
person and privileged and confidential and not subject
4 description disclosure under the Freedom of Information Act.
5 Single 16 (6) Any obligation on the part of the contractor,
6 in the event a United States patent application is filed
by or on its behalf or by any assignee of the contrac-
8 tor, to include within the specification of such applica-
9 still, stion and any patent issuing thereon, a statement speci-
10 to fying that the invention was made with Government

10 ** SEC. 203. MARCH-IN RIGHTS. With respect to any
11 subject invention in which a small business firm or nonprofit
12 organization has acquired title under this chapter, the
13 Federal agency under whose funding agreement the subject
14 invention was made shall have the right, in accordance with
15 such procedures as are provided in regulations promulgated
16 hereunder to require the subject inventor, an assignee or ex-
17 clusive licensee of a subject invention to grant a nonexclu-
18 sive, partially exclusive, or exclusive license in any field of
19 use to a responsible applicant or applicants, upon terms that
20 are reasonable under the circumstances, and if the contractor
21 assignee, or exclusive licensee refuses such request, to grant
22 such a license itself, if the Federal agency determines
23 veither for Administration with the relieure year gauge 88
24 consists of (a) that such action is necessary because the
25 contractor or assignee has not taken, or is not ex-

1 pected to take within a reasonable time, effective steps
2 to achieve practical application of the subject invention
3 minisvain such field of use; or hander so it dies no behanges &
4 (b) that such action is necessary (to alleviate
5 health or safety needs which are not reasonably satis-
6 months field by the contractor, assignee, or their licensees; or
7 construction is necessary to meet require-
8 ments for public use specified by Federal regulations
9 and such requirements are not reasonably satisfied by
10 and the contractor, assignee, or licensees, or the contractor, assignee or licensees, or the contractor of the contractor.
11 and the middle that such actionalis necessary abecause the
12 agreement required by section 205 has not been ob-
13 tained or waived or because a licensee of the exclusive
14 conscright to use or sell any subject invention in the United
States is in breach of its agreement obtained pursuant
16 to section 205.
17 GARAGE SEC. 204. RETURN OF GOVERNMENT INVEST-
18 MENT.—(a) If a nonprofit organization or small business firm
19 receives \$250,000 in after tax profits from the licensing of
20 any subject invention within a period of ten years following
21 disclosure of the invention, the United States shall be entitled
22 to a share, to be negotiated, of up to 50 per centum of all net
23 income during said period from licensing received by the con-
24 tractor above \$250,000: Provided, however, That in no event
25 shall the United States be entitled to an amount greater than

- 1 that portion of the Federal funding under the funding agree-
- 2 ment under which the subject invention was made which was
- 3 expended on activities related to the making of the invention.
- 48 (b) In addition, if a nonprofit organization or small
- 5 business firm receives after tax profits in excess of
- 6 \$2,000,000 on sales of products embodying or manufactured
- 7 by a process employing a subject invention, during a period
- 8 of ten years commencing with commercial exploitation of the
- 9 subject invention, the Government shall be entitled to a
- 10 share, to be negotiated, of all additional income accruing
- 11 from such sales up to the amount of the portion of the Gov-
- 12 ernment funding under the funding agreement under which
- 13 the invention was made which was expended on activities
- 14 related to the making of the invention less any amounts re-
- 15 ceived by the Government in accordance with paragraph (a)

- 14 ALLY OWNED INVENTIONS.—(a) No Federal agency shall
- 15 grant any license under a patent or patent application on a
- 16 federally owned invention unless the person requesting the
- 17 license has supplied the agency with a plan for development
- 18 and/or marketing of the invention.
- 19 "(b) A Federal agency shall normally grant the right to
- 20 use or sell any federally owned invention in the United States
- 21 only to a licensee that agrees that any products embodying
- 22 the invention or produced through the use of the invention
- 23 will be manufactured substantially in the United States.
- 24 "(c)(1) Each Federal agency may grant exclusive or
- 25 partially exclusive licenses in any invention covered by a fed-

1 erally owned domestic patent or patent application only if,
2 after public notice and opportunity for filing written objec-
33 tions, it is determined that we so see years a feeder to
4 for all (A) the interests of the Federal Government and
5 the public will best be served by the proposed license,
6 in view of the applicant's intentions, plans, and ability
7 described bring the invention to practical application or other-
8 wise promote the invention's utilization by the public
9 "(B) the desired practical application has not been
10 achieved, or is not likely expeditiously to be achieved,
11 under any nonexclusive license which has been grant-
ed, or which may be granted, on the invention;
13 "(C) exclusive or partially exclusive licensing is a
14 reasonable and necessary incentive to call forth the in-
15 exercises to bring the
16 invention to practical application or otherwise promote
17 consider the invention's utilization by the public; and
18 "(D) the proposed terms and scope of exclusivity
19 are not greater than reasonably necessary to provide
20 the incentive for bringing the invention to practical ap-
21 plication or otherwise promote the invention's utiliza-
22 manualtion by the public country bearings of an engagement of the
23 "(2) A Federal agency shall not grant such exclusive or
24 partially exclusive license under paragraph (1) of this subsec-
25 tion if it determines that the grant of such license will tend

- 1 substantially to lessen competition or result in undue concen-
- 2 tration in any section of the country in any line of commerce
- 3 to which the technology to be licensed relates, or to create or
- 4 maintain other situations inconsistent with the antitrust
- 5 claws, exercicles sales and in Morenia addies a diamenta addies.
- 6 "(3) First preference in the exclusive or partially exclu-
- 7 sive licensing of federally owned inventions shall go to small
- 8 business firms submitting plans that are determined by the
- 9 agency to be within the capabilities of the firms and as likely,
- 10 if executed, to bring the invention to practical application as
- 11 any plans submitted by applicants that are not small business
- 12 a firms. Tiving how now by a most been add acidenced
- 13 "(d) After consideration of whether the interests of the
- 14 Federal Government or United States industry in foreign
- 15 commerce will be enhanced, any Federal agency may grant
- 16 exclusive or partially exclusive licenses in any invention cov-
- 17 ered by a foreign patent application or patent, after public
- 18 notice and opportunity for filing written objections, except
- 19 that a Federal agency shall not grant such exclusive or par-
- 20 tially exclusive license if it determines that the grant of such
- 21 license will tend substantially to lessen competition or result
- 22 in undue concentration in any section of the country in any
- 23 line of commerce to which the technology to be licensed re-
- 24 lates, or to create or maintain other situations inconsistent
- 25 with the antitrust laws.

1
2 terminations to grant exclusive or partially exclusive licenses.
3 "(f) Any grant of a license shall contain such terms and
4 conditions as the Federal agency determines appropriate for
5 the protection of the interests of the Federal Government and
6 the public, including provisions for the following:
7
8 at obtaining utilization that are being made by the li-
9 censee with particular reference to the plan submitted:
10 Provided, That any such information may be treated
11 by the Federal agency as commercial and financial in-
12 formation obtained from a person and privileged and
13 confidential and not subject to disclosure under the
14 coo Freedom of Information Act;
15 "(2) the right of the Federal agency to terminate
16 such license in whole or in part if it determines that
17 the licensee is not executing the plan submitted with
its request for a license and the licensee cannot other-
19 wise demonstrate to the satisfaction of the Federal
20 Agency that it has taken or can be expected to take
21 within a reasonable time, effective steps to achieve
22 practical application of the invention;
23 "(3) the right of the Federal agency to terminate
24 such license in whole or in part if the licensee is in

1 breach of an agreement obtained pursuant to paragraph
2008 (b) of this section; and
3 "(4) the right of the Federal agency to terminate
4 the license in whole or in part if the agency determines
5 that such action is necessary to meet requirements for
6 public use specified by Federal regulations issued after
7 the date of the license and such requirements are not
8 reasonably satisfied by the licensee.
9 "SEC. 212. PRECEDENCE OF ACT.—(a) This chapter
10 shall take precedence over any other Act which would re-
11 quire a disposition of rights in subject inventions of small
12 business firms or nonprofit organizations contractors in a
13 manner that is inconsistent with this chapter, including but
14 not necessarily limited to the following:

- 10 The Act creating this chapter shall be construed to take prec-
- 11 edence over any future Act unless that Act specifically cites
- 12 this Act and provides that it shall take precedence over this
- 13 Act.
- 14 "(b) Nothing in this chapter is intended to alter the

Mere representation of the Collection as

- 15 effect of the laws cited in paragraph (a) of this section or any
- 16 other laws with respect to the disposition of rights in inven-
- 17 tions made in the performance of funding agreements with
- 18 persons other than nonprofit organizations or small business
- 19) firms (1) (1) 8080 10.8.0 for a compare to (1) for (1) 407 (1)
- 20 "(c) Nothing in this chapter is intended to limit the au-
- 21 thority of agencies to agree to the distribution of rights in
- 22 inventions made in the performance of work under funding
- 23 agreements with persons other than nonprofit organizations
- 24 or small business firms in accordance with the Statement of
- 25 Government Patent Policy issued by the President on August

- 1 23, 1971 (36 Fed. Reg. 16887), agency regulations, or other
- 2 applicable regulations or to otherwise limit the authority of
- 3 agencies to agree to allow such persons to retain ownership
- 4 of such inventions and the letter when the
- 5 "Sec. 213. Relationship to Antitrust Laws.—
- 6 Nothing in this chapter shall be deemed to convey to any
- 7 person immunity from civil or criminal liability, or to create
- 8 any defenses to actions, under any antitrust law.".
- 9 Sec. 3. Amendments to Other Acts.—The follow-
- 10 ing Acts are amended as follows: The training as A 1977 CE
- 11 (a) Section 156 of the Atomic Energy Act of 1954 (42
- 12 U.S.C. 2186; 68 Stat. 947) is amended by deleting the words
- 13 "held by the Commission or".
- 14 (b) The National Aeronautics and Space Act of 1958 is
- 15 amended by repealing paragraph (g) of section 305 (42
- 16. U.S.C. 2457(g); 72 Stat. 436). We start that the control of the
- 17 (c) The Federal Nonnuclear Energy Research and De-
- 18 velopment Act of 1974 is amended by repealing paragraphs
- 19 (g), (h), and (i) of section 9 (42 U.S.C. 5908 (g), (h), and (i);
- 20 88 Stat. 1889-1891). He reserved in the great of the
- 21 SEC. 4. EFFECTIVE DATE.—This Act shall take effect
- 22 one hundred and eighty days after the date of its enactment,
- 23 except that the regulations referred to in section 2, or other
- 24 implementing regulations, may be issued prior to that time.
