

Ninety-eighth Congress of the United States of America

AT THE SECOND SESSION

*Begun and held at the City of Washington on Monday, the twenty-third day of January,
one thousand nine hundred and eighty-four*

An Act

To amend title 28, United States Code, with respect to the places where court shall be held in certain judicial districts, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the
United States of America in Congress assembled,*

TITLE I

SHORT TITLE

SEC. 101. This title may be cited as the "Trademark Clarification Act of 1984".

AMENDMENT TO THE TRADEMARK ACT

SEC. 102. Section 14(c) of the Trademark Act of 1946, commonly known as the Lanham Trademark Act (15 U.S.C. 1064(c)) is amended by adding before the semicolon at the end of such section a period and the following: "A registered mark shall not be deemed to be the common descriptive name of goods or services solely because such mark is also used as a name of or to identify a unique product or service. The primary significance of the registered mark to the relevant public rather than purchaser motivation shall be the test for determining whether the registered mark has become the common descriptive name of goods or services in connection with which it has been used".

DEFINITIONS

SEC. 103. Section 45 of such Act (15 U.S.C. 1127) is amended as follows:

(1) Strike out "The term 'trade-mark' includes any word, name, symbol, or device or any combination thereof adopted and used by a manufacturer or merchant to identify his goods and distinguish them from those manufactured or sold by others." and insert in lieu thereof the following: "The term 'trademark' includes any word, name, symbol, or device or any combination thereof adopted and used by a manufacturer or merchant to identify and distinguish his goods, including a unique product, from those manufactured or sold by others and to indicate the source of the goods, even if that source is unknown."

(2) Strike out "The term 'service mark' means a mark used in the sale or advertising of services to identify the services of one person and distinguish them from the services of others." and insert in lieu thereof the following: "The term 'service mark' means a mark used in the sale or advertising of services to identify and distinguish the services of one person, including a unique service, from the services of others and to indicate the source of the services, even if that source is unknown."

sioner, which shall be entered of record in the Patent and Trademark Office and shall govern the further proceedings in the case.”.

(c) The amendments made by this section shall apply to proceedings pending in the Patent and Trademark Office on the date of the enactment of this Act and to appeals pending in the United States Court of Appeals for the Federal Circuit on such date.

SEC. 415. Any individual who, on the date of the enactment of the Federal Courts Improvement Act of 1982, was serving as marshal for the Court of Appeals for the District of Columbia under section 713(c) of title 28, United States Code, may, after the date of the enactment of this Act, so serve under that section as in effect on the date of the enactment of the Federal Courts Improvement Act of 1982. While such individual so serves, the provisions of section 714(a) of title 28, United States Code, shall not apply to the Court of Appeals for the District of Columbia.

SEC. 416. Title 28, United States Code, is amended in the following respects:

(a) There shall be inserted, after section 797 thereof, in chapter 51 thereof, the following new section 798, which shall read as follows:

“§ 798. Places of holding court; appointment of special masters

“(a) The United States Claims Court is hereby authorized to utilize facilities and hold court in Washington, District of Columbia, and in four locations outside of the Washington, District of Columbia metropolitan area, for the purpose of conducting trials and such other proceedings as may be appropriate to executing the court's functions. The Director of the Administrative Office of the United States Courts shall designate such locations and provide for such facilities.

“(b) The chief judge of the Claims Court may appoint special masters to assist the court in carrying out its functions. Any special masters so appointed shall carry out their responsibilities and be compensated in accordance with procedures set forth in the rules of the court.”.

(b) The caption of chapter 51, title 28, shall be amended to include the following item:

“798. Places of holding court; appointment of special masters.”.

TITLE V—GOVERNMENT RESEARCH AND DEVELOPMENT PATENT POLICY

SEC. 501. Chapter 18 of title 35, United States Code, is amended—

(1) by adding “or any novel variety of plant which is or may be protectable under the Plant Variety Protection Act (7 U.S.C. 2321 et seq.)” immediately after “title” in section 201(d);

(2) by adding “: *Provided*, That in the case of a variety of plant, the date of determination (as defined in section 41(d) of the Plant Variety Protection Act (7 U.S.C. 2401(d))) must also occur during the period of contract performance” immediately after “agreement” in section 201(e);

(3) in section 202(a), by amending clause (i) to read as follows: “(i) when the contractor is not located in the United States or does not have a place of business located in the United States or is subject to the control of a foreign government,”; by striking the word “or” before “ii”, and by adding after the words “security of such activities” in the first sentence of such para-

graph, the following: "or, iv) when the funding agreement includes the operation of a Government-owned, contractor-operated facility of the Department of Energy primarily dedicated to that Department's naval nuclear propulsion or weapons related programs and all funding agreement limitations under this subparagraph on the contractor's right to elect title to a subject invention are limited to inventions occurring under the above two programs of the Department of Energy."

(4) by amending paragraphs (1) and (2) of section 202(b) to read as follows:

"(b)(1) The rights of the Government under subsection (a) shall not be exercised by a Federal agency unless it first determines that at least one of the conditions identified in clauses (i) through (iii) of subsection (a) exists. Except in the case of subsection (a)(iii), the agency shall file with the Secretary of Commerce, within thirty days after the award of the applicable funding agreement, a copy of such determination. In the case of a determination under subsection (a)(ii), the statement shall include an analysis justifying the determination. In the case of determinations applicable to funding agreements with small business firms, copies shall also be sent to the Chief Counsel for Advocacy of the Small Business Administration. If the Secretary of Commerce believes that any individual determination or pattern of determinations is contrary to the policies and objectives of this chapter or otherwise not in conformance with this chapter, the Secretary shall so advise the head of the agency concerned and the Administrator of the Office of Federal Procurement Policy, and recommend corrective actions.

"(2) Whenever the Administrator of the Office of Federal Procurement Policy has determined that one or more Federal agencies are utilizing the authority of clause (i) or (ii) of subsection (a) of this section in a manner that is contrary to the policies and objectives of this chapter, the Administrator is authorized to issue regulations describing classes of situations in which agencies may not exercise the authorities of those clauses.";

(4A) By adding at the end of section 202(b) the following new paragraph:

"(4) If the contractor believes that a determination is contrary to the policies and objectives of this chapter or constitutes an abuse of discretion by the agency, the determination shall be subject to the last paragraph of section 203(2)."

(5) by amending paragraphs (1), (2), (3), and (4) of section 202(c) to read as follows:

"(1) That the contractor disclose each subject invention to the Federal agency within a reasonable time after it becomes known to contractor personnel responsible for the administration of patent matters, and that the Federal Government may receive title to any subject invention not disclosed to it within such time.

"(2) That the contractor make a written election within two years after disclosure to the Federal agency (or such additional time as may be approved by the Federal agency) whether the contractor will retain title to a subject invention: *Provided*, That in any case where publication, on sale, or public use, has initiated the one year statutory period in which valid patent protection can still be obtained in the United States, the period for election may be shortened by the Federal agency to a date that is not more than sixty days prior to the end of the statutory

period: *And provided further*, That the Federal Government may receive title to any subject invention in which the contractor does not elect to retain rights or fails to elect rights within such times.

"(3) That a contractor electing rights in a subject invention agrees to file a patent application prior to any statutory bar date that may occur under this title due to publication, on sale, or public use, and shall thereafter file corresponding patent applications in other countries in which it wishes to retain title within reasonable times, and that the Federal Government may receive title to any subject inventions in the United States or other countries in which the contractor has not filed patent applications on the subject invention within such times.

"(4) With respect to any invention in which the contractor elects rights, the Federal agency shall have a nonexclusive, nontransferrable, irrevocable, paid-up license to practice or have practiced for or on behalf of the United States any subject invention throughout the world: *Provided*, That the funding agreement may provide for such additional rights; including the right to assign or have assigned foreign patent rights in the subject invention, as are determined by the agency as necessary for meeting the obligations of the United States under any treaty, international agreement, arrangement of cooperation, memorandum of understanding, or similar arrangement, including military agreement relating to weapons development and production."

(6) by striking out "may" in section 202(c)(5) and inserting in lieu thereof "as well as any information on utilization or efforts at obtaining utilization obtained as part of a proceeding under section 203 of this chapter shall";

(7) by striking out "and which is not, itself, engaged in or does not hold a substantial interest in other organizations engaged in the manufacture or sales of products or the use of processes that might utilize the invention or be in competition with embodiments of the invention" in clause (A) of section 202(c)(7);

(8) by amending clauses (B)-(D) of section 202(c)(7) to read as follows: "(B) a requirement that the contractor share royalties with the inventor; (C) except with respect to a funding agreement for the operation of a Government-owned-contractor-operated facility, a requirement that the balance of any royalties or income earned by the contractor with respect to subject inventions, after payment of expenses (including payments to inventors) incidental to the administration of subject inventions, be utilized for the support of scientific research or education; (D) a requirement that, except where it proves infeasible after a reasonable inquiry, in the licensing of subject inventions shall be given to small business firms; and (E) with respect to a funding agreement for the operation of a Government-owned-contractor-operated facility, requirements (i) that after payment of patenting costs, licensing costs, payments to inventors, and other expenses incidental to the administration of subject inventions, 100 percent of the balance of any royalties or income earned and retained by the contractor during any fiscal year up to an amount equal to 5 percent of the annual budget of the facility, shall be used by the contractor for scientific research, development, and education consistent with the research and development mission and objectives of the facility, including activities

that increase the licensing potential of other inventions of the facility; provided that if said balance exceeds 5 percent of the annual budget of the facility, that 75 percent of such excess shall be paid to the Treasury of the United States and the remaining 25 percent shall be used for the same purposes as described above in this clause (D); and (ii) that, to the extent it provides the most effective technology transfer, the licensing of subject inventions shall be administered by contractor employees on location at the facility."

(9) by adding "(1. before the word "With" in the first line of section 203, and by adding at the end of section 203 the following:

"(2) A determination pursuant to this section or section 202(b)(4) shall not be subject to the Contract Disputes Act (41 U.S.C. §601 et seq.). An administrative appeals procedure shall be established by regulations promulgated in accordance with section 206. Additionally, any contractor, inventor, assignee, or exclusive licensee adversely affected by a determination under this section may, at any time within sixty days after the determination is issued, file a petition in the United States Claims Court, which shall have jurisdiction to determine the appeal on the record and to affirm, reverse, remand or modify, "as appropriate, the determination of the Federal agency. In cases described in paragraphs (a) and (c), the agency's determination shall be held in abeyance pending the exhaustion of appeals or petitions filed under the preceding sentence.";

(10) by amending section 206 to read as follows:

"§ 206. Uniform clauses and regulations

"The Secretary of Commerce may issue regulations which may be made applicable to Federal agencies implementing the provisions of sections 202 through 204 of this chapter and shall establish standard funding agreement provisions required under this chapter. The regulations and the standard funding agreement shall be subject to public comment before their issuance.";

(11) in section 207 by inserting "(a)" before "Each Federal" and by adding the following new subsection at the end thereof:

"(b) For the purpose of assuring the effective management of Government-owned inventions, the Secretary of Commerce is authorized to—

"(1) assist Federal agency efforts to promote the licensing and utilization of Government-owned inventions;

"(2) assist Federal agencies in seeking protection and maintaining inventions in foreign countries, including the payment of fees and costs connected therewith; and

"(3) consult with and advise Federal agencies as to areas of science and technology research and development with potential for commercial utilization."; and

(12) in section 208 by striking out "Administrator of General Services" and inserting in lieu thereof "Secretary of Commerce".

(13) by deleting from the first sentence of section 210(c), "August 23, 1971 (36 Fed. Reg. 16887)" and inserting in lieu thereof "February 18, 1983", and by inserting the following before the period at the end of the first sentence of section 210(c) "except that all funding agreements, including those with other than small business firms and nonprofit organizations, shall

H. R. 6163—34

include the requirements established in paragraph 202(c)(4) and section 203 of this title.”

(14) by adding at the end thereof the following new section:

“§ 212. Disposition of rights in educational awards

“No scholarship, fellowship, training grant, or other funding agreement made by a Federal agency primarily to an awardee for educational purposes will contain any provision giving the Federal agency any rights to inventions made by the awardee.”; and

(15) by adding at the end of the table of sections for the chapter the following new item:

“212. Disposition of rights in educational awards.”.

Speaker of the House of Representatives.

*Vice President of the United States and
President of the Senate.*
