PROFILE PLAN

Pergamon Press is keeping pace with the current explosion in information technology through the continuation of our Selective Order Profile Plan. Pergamon recognises the need for libraries to monitor developments in various disciplines and has developed the Profile Plan to keep you informed about new and existing journals in your area(s) of interest.

From this list, you can select sample copies of any journals which you or your colleagues would like to review. Your library will also automatically receive the first issue of any new journals that are published in the subjects you select.

Profile Plan participants will receive:

- **25% discount** on new one-year subscriptions
- **30% discount** on new two-year subscriptions
- **25% discount** on microform orders
- **50% discount** on back issues when ordered with a current subscription
- A copy of the **PERGAMON JOURNALS BULLETIN** each month
- A one year complimentary subscription to one of the following:

INFORMATION PROCESSING AND MANAGEMENT
LIBRARY ACQUISITIONS, PRACTICE AND THEORY
GOVERNMENT PUBLICATIONS REVIEW
EVALUATION AND PROGRAM PLANNING
JOURNAL OF SCIENTIFIC EXPLORATION

Terms for **SELECTIVE ORDER PROFILE PLAN**

Participating libraries receive the appropriate discount on new titles ordered. Profile Plan orders may be amended at any time and may be cancelled by either party with written notice.
