Dear Mr. Ross:

I enclose for your information the copy of a letter from Miss Parent relating to President Elvehjem's request for a decision on patent agreements between the University of Wisconsin and the Public Health Service. I will discuss with President Elvehjem the desirability of a personal visit by him to the National Institutes of Health and also the possibility of taking up this matter with certain members of the Wisconsin Delegation in the Congress.

Yours very truly,

A. W. Peterson, Vice President -
