Dear Mr. Bremer:

Thank you for participating in the Subcommittee's hearing on risk-benefit analysis. Your testimony and responses to questions were a stimulating introduction to the AAAS-Congressional Conference. The House Science and Technology Committee intends to publish the transcript of all conference sessions, including the Senate and House Subcommittee hearings. You will, of course, receive a copy as soon as it is printed.

With best wishes, I am

Sincerely yours,

ADLAI E. STEVENSON, Chairman
Subcommittee on Science, Technology,
and Space
