Re: Reverse Freedom of Information Act

Dear Milt,

Following our recent telephone discussion and following our meeting last week in Washington, the enclosed material from Bob Gellman arrived on my desk. As I mentioned in the meeting, I had hoped to have this as the version to distribute at the meeting, but it did not arrive in my office in time.

As Bob Gellman notes in his letter, we can now consider this text as our own product.

As we discussed, I would hope that COGR would decide to inform our various counterparts for their active support, but for the time being this is being sent to you and the members of the sub-committee for review and comment prior to taking any further action. Hopefully we will be able to finalize the action at the next COGR Meeting.

If there are any questions, please don't hesitate to give me a call.

Sincerely,

Carl B. Wootten
Director
