Dear Mr. Harrington:

This will acknowledge receipt of your letter of April 18, 1967 submitting a Petition for an institutional agreement with the Department of Health, Education, and Welfare to cover patents which may arise at the University from research supported in whole or in part by the Department.

The Petition is presently under active consideration within the Department and I am hopeful that a final decision can be made in the near future.

Sincerely yours,

Charles B. Brown
Special Assistant for
Patent Policy
