Dear Howard:

Sorry for the delay in responding to your request for comments about the Interassociation Management Related Group (IMRG) and the possibility of SUPA becoming a member. I am in agreement with you in that IMRG is so diverse I can see no real advantage to SUPA in becoming a member group (and vice versa). Should SUPA decide to affiliate with another organization it would seem to me that SRA or LES would be better choices to consider. SUPA doesn't seem to quite "fit in" with the associations currently members of IMRG.

Sincerely,

Cynthia J. Hanson
Assistant to the Vice President
