Dear Ward:

I have found in recent months that there are several questions which are unanswered in the way of policy and procedure here at Iowa State University and, therefore, I am in the process of preparing a recommendation for the Iowa State University and the Iowa State Board of Regents and would appreciate the opportunity to sit down with you and any others who might be appropriate to discuss your operations and your experience relative to your relationship with the university and faculty members. Of course, the tax angle would also have to be considered in such discussions.

At your convenience in the relative near future, would it be possible for me to visit you? I would prefer that this not be the weekend of October 16, 17, and 18.

Incidentally, I had a call from Mr. E. W. Wickert and forwarded to him the information which hererequested.

At this time I would also like to discuss in brief the possibility of a symposium here at Iowa State next fall.

Yours truly,

IOWA STATE UNIVERSITY
RESEARCH FOUNDATION, INC.
