Dear Mr. Bremer:

I do appreciate your letter about S. 3946, the Small Business Nonprofit Organization Patent Procedures Act. I share your interest in this matter.

While it does not appear likely that this measure will be considered in the Senate during this session of Congress, I do expect to consider legislation on this matter during the 96th Congress. I will certainly have your views in mind.

Again, I appreciate knowing of your concern in this area.

Sincerely,

Daniel Patrick Moynihan
