18 August 1978

Mr. Howard W. Bremer
Patent Counsel
Wisconsin Alumni Research
Foundation
614 North Walnut Street
Madison, Wisconsin 53705

Dear Howard:

Carl Wootten, Executive Director of the University of Virginia Alumni Patents Foundation, showed me your August 8 mailgram about Senator Dole's press release. I thought that you might be interested in our letters to Senator William Scott and Senator Harry Byrd. I also contacted colleagues at institutions in Alabama, Arkansas, and Mississippi.

We have not been successful in getting press attention so far, but hope for better luck soon.

Sincerely yours,

Dennis W. Barnes
Associate Provost for Research
