Dear Mr. Bremer:

Enclose you will find a listing of hearings  
with regard to the President's Industrial Innovation  
Program. This hearing will involve patents.

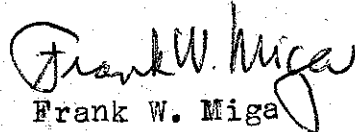

The Administration Patent bill is H. R. 6933.  
was  
The bill submitted on March 26, 1980.

I have not seen the bill as yet.

Enclose you will also find an announcement  
entitled "Stimulating Technological Progress"  
This publication is against patent.

Your consideration of this matter will be  
greatly appreciated.

Very truly yours,

  
Frank W. Miga
