Dear Clark:

As I remember you were given the task of redrafting the Dole-Bayh bill from the amended version which I brought to the meeting in Houston to reflect the comments of the COGR group. I talked to Joe Allen today who is in Senator Bayh's office and is working on the bill and he indicated that they were waiting for additional comments from the APLA which they expected to have next week. As a consequence, it would probably be advisable to get the COGR group comments to Joe Allen as soon as possible. That will permit all of the proposed changes to be considered at the same time so that he can send out a revised draft of the bill late in December or early in January for final comment.

If you wish you can send the comments directly to Joe Allen at the following address indicating those changes in particular which COGR recommends:

Mr. Joe Allen, Office of Senator Birch Bayh, 363 Russell Office
Building, Washington, D. C. 20510.

Very truly yours,

Howard W. Bremer
Patent Counsel
