Dear Will:

It hardly seems that the SUPA meeting was almost a month ago and with that in mind I realize I have been remiss in not writing to you to thank you for functioning as program chairman. The commentary I have received from various sources has all been complimentary about the program. Also, we had 15 new members sign up during the course of the meeting. I am sure that with the reception the program received it induced others to become SUPA members.

You may have heard that Senator Long has indicated that he has no objections to S. 414. If he in fact holds to that position we have taken a giant step to ultimate passage of the Bill. Support for the Bill seems to be growing and any additional efforts that you can make with your representatives, particularly on the House side, would be very helpful.

Thanks again for the good job.

Best regards.

Very truly yours,

Howard W. Bremer
Patent Counsel
