Mr. George Stadler  
Adelbert Hall  
Case Western Reserve University  
Cleveland, Ohio 44106

Dear George:

A recent meeting of the officers and trustees of SUPA prompted me to remind you that we would like to have you make a report of any progress on the standard screening agreement situation as you have developed it during the course of the year. To this end you will find enclosed a screening agreement which Shell Development Company had proposed and which appears to be the best we have seen to date.

Best regards.

Very truly yours,

Howard W. Bremer  
Patent Counsel
