Mr. Joe Allen
Office of Senator Birch Bayh
363 Russell Office Building
Washington, D. C. 20510

Dear Joe:

Attached you will find a copy of my statement regarding the loan guarantee provisions of H. R. 12112 and a copy of the first page of the Bill so that you can easily identify it and the pertinent provisions to which the statement is addressed.

Also attached you will find a report from Science magazine regarding Norman Latker. Inasmuch as the facts in the matter are well capsulized in the box report perhaps it would be a good idea to transmit this to the new General Counsel for DHEW but with the title of the commentary deleted.

Best regards.

Very truly yours,

Howard W. Bremer
Patent Counsel
