Dear Jon:

Responsive to your request you will find enclosed a copy of a SUPA letterhead so that you can have a listing of the officers and trustees. Also enclosed is a copy of the current SUPA membership list.

As I told you during our conversation I also function on the Patent, Trademark and Copyright Subcommittee of COCR (Committee on Government Relations), which represents approximately 120 major research institutions. I am sure that an appropriate time a meeting can be arranged with some of the Subcommittee people to discuss your proposed legislation. I will let you know in advance of my next scheduled trip to Washington so that there can be an opportunity to set up a meeting with some of these people.

Very truly yours,

Howard W. Bremer
