Dear Mary:

Norm Latker has now associated himself with a law firm at the following address:

Browdy & Ninemark  
1329 E. Street, N. W.  
Suite 1233  
Munsey Bldg.  
Washington, D. C. 20004

It appears that he will be handling some university patent matters and he was interested, therefore, in a SUPA membership. Will you please send him a copy of the bylaws and a membership application at your convenience. As long as he will be working at least in part on university patent matters ~~albeit~~ as a private practitioner, I believe he would qualify for membership. If you disagree with that conclusion please let me know.

Since we have had several requests about membership recently from people in private practice perhaps we should discuss at our upcoming trustees' meeting the scope of qualifications for membership.

Best regards.

Very truly yours,

Howard W. Bremer  
President
