Ms. Mary Spores  
Assistant to Director  
Research Services Administration  
Northwestern University  
Rebecca Crown Center  
Evanston, Illinois 60201

Dear Mary:

Enclosed you will find the materials for reproduction and mailing to the SUPA membership in general. I have sent copies of these materials to Bill Burke because he is going to survey at least some of the SUPA membership on another item which is pertinent to this issue. Consequently, if he gets in touch with you about a mailing you should not be surprised.

Best regards,

Very truly yours,

Howard W. Bremer  
President
