Dear Mary:

Attached you will find two copies of the summary of the survey for SUPA.

As I mentioned to you it appears that in compiling first and second positions for the preferable meeting arrangement it would appear that we will set our annual meeting in association with the Dvorkovitz World Technology Fair in Atlanta in February.

Will you please send out a copy of the summary to all members and inform them of the decision to have the annual meeting in association with Dvorkovitz.

Best regards.

Very truly yours,

Howard W. Bremer  
President
