Dear Ms. Spores:

Your memorandum of June 29, 1979, addressed to me in my former capacity as counsel to the University of South Carolina was forwarded to me this week along with the proposed revisions to the bylaws of SUPA. I am returning your ballot with an approving vote, although I doubt I am still entitled to cast a vote since I no longer represent an educational institution.

The proposed changes in your membership seem appropriate to me, but I feel a genuine sense of loss over the apparent necessity of discontinuing my own affiliation with the Society, since the work of your group is clearly relevant to my work as Executive Director of this Association. If there is a way for me to remain a member of the Society, or for my organization to be affiliated in some way, please let me know.

Very truly yours,

Phillip M. Grier
