Dear Mary:

It had been my intention to write to you last week to say that the arrangements for the meeting which we had at the O'Hare Hilton were excellent and to thank you for setting them up. Unfortunately, a wedding in the family and other things got in the way of sending an earlier thank you.

I believe that we did get quite a bit accomplished and I am sending out some of the information we discussed to the other officers and trustees.

Attached you will find a copy of the General Administrative Policy Paper which I promised to send to you. Also attached is a notice from the last Patent, Trademark and Copyright Journal which may have some significance in view of the Nelson hearings and Dr. Baruch's comments at those hearings.

Best regards,

Very truly yours,

Howard W. Bremer
