Dear Mary:

Enclosed you will find a copy of the minutes with indicated revisions.

You will note under item 4. of the minutes that I have added a parenthetical referring to a Kennedy letter. A copy of that is enclosed for reproduction and attachment to the minutes for distribution. Also, you will find enclosed a copy of the LES resolution and a copy of S. 1074. I do not have copies of the Rosenthal or the Seiberling bills although I indicated their identification numbers. What you refer to as Balair Bill had to do with court reorganization and I don't think we need to follow-up on that.

Also enclosed you will find a copy of the Shell Development screening agreement for distribution.

Although I do not know specifically, the trust of Senator Dole's proposed legislation would appear to be in support of the LES/FOIA position.

On one other matter, and as Ralph Davis has indicated, I believe that it would be advisable for Mr. Phillip Grier of the National Association of College and University Attorneys to maintain SUPA membership.

Very truly yours,

Howard W. Bremer
President
