Dear Mary:

I have been receiving invitations from the Interassociation Management Related Group (IMRG) but to date have not attended any of the meetings of that group. I did ask for and received more information on IMRG and am enclosing material sent to me for your review. If you feel that this material should be passed along to the Officers and Trustees for review and a decision as to whether SUPA should participate with the group activities please do so. In my own opinion, the interests of the group appear to be so diverse that I do not feel very strongly that we should be a participant.

Best regards.

Very truly yours,

Howard W. Bremer  
President
