Dear Milt:

Roger asked me to prepare a response to the solicitation for public comments by HHS on the extension of an exclusive license to Bristol-Myers regarding cisplatin compounds. Attached you will find a draft of a proposed response for your consideration and submission on behalf of COGR or NACUBO. I am also sending a copy of this response to Roger and also to Niels Reimers with whom I talked about the problem. Either or both Roger and Niels may have suggestions for this draft.

Very truly yours,

Howard W. Bremer
