Dear Newton:

Thank you for your letter of May 4 and the copy of the AAU Federal Relations Agenda and the President's Letter. At the moment S. 414 does seem to be proceeding in a more or less routine fashion but we may better be able to tell after we get some reactions to the hearings to be conducted on May 16 and on June 6. I agree that during and until such time as there is an obvious need for AAU to become involved your role of monitoring the legislation would be most helpful.

Best regards.

Very truly yours,

Howard W. Bremer  
President
