Dear Norm:

Enclosed you will find the materials which you gave me in Atlanta. I have made copies of these for use in preparing my talk for the LES Meeting in New York.

Jess called me yesterday to let me know that the legislation appears to be progressing very well and that there are additional co-sponsors in the Senate. Also, I saw in a letter from Al Sinisgalli that Rodino had introduced it and got the bill number from Jess. He indicated that the bill was introduced in the House on February 26. We will now send letters to the Wisconsin delegation and I am also going to pursue the Iowa group through Dan Griffen at Iowa State.

Very truly yours,

Howard W. Bremer
