Dear Ray:

Enclosed you will find a copy of the SUPA questionnaire which accompanied your letter of October 7. We regret the long delay in getting this back to you but other activities had to take precedence.

We should point out that the questionnaire was filled out on behalf of the institution and not from WARF's position since many of the questions do not directly pertain to WARF's operations and policies.

Very truly yours,

Howard W. Bremer  
Patent Counsel
