Mr. Reuben H. Lorenz
Vice President & Controller
University of Wisconsin
1752 Van Hise Hall
Madison, Wisconsin 53706

Dear Reuben:

Attached you will find a copy of the news release which you tried to initially locate through Harvey Breuscher. I have been in touch with Harvey and have sent him a copy of the release and have asked him to try to place the story in both the Madison and Milwaukee papers since there was some foul-up with regard to either the wire service and/or Dole's media man.

In order to stimulate some support SUPA also sent out to all SUPA members and to IPA holders the attached mailgram.

If, on behalf of the University, you could telegram both Dole and Bayh indicating University support for their proposed legislation it could be a heavy makeweight factor in their continued commitment to this legislation which, we believe is essential.

If you have any questions please call.

Very truly yours,

Howard W. Bremer
Patent Counsel
