Dear Reuben:

Enclosed for your signature are duplicate copies of an amendment to the existing Institutional Patent Agreement with the Department of Health and Human Services (formerly DHEW). As indicated, the amendment is intended to make the provisions of the Institutional Patent Agreement comport with the provisions of the Patent and Trademark Act of 1980 (PL 96-517).

Will you please sign both copies of the letter and return them to me for forwarding to Dr. Randall.

Very truly yours,
