Mr. Robert E. Gentry
Associate Vice President
University of Wisconsin
1752 Van Hise Hall
Madison, Wisconsin 53706

Dear Bob:

Enclosed is the waiver from NASA which you handed me during our meeting at the Cuba Club. The provisions look like standard ones to me and I see no reason why the waiver should not be accepted. Please supply us with an executed copy so that we can make a note of the reporting requirements. We will also promptly get in touch with Aumann and proceed on this matter.

Very truly yours,

Howard W. Bremer
Patent Counsel
