TO: SUPA Officers and Trustees

FROM: Howard W. Bremer  
President

Enclosed you will find a communication which is the latest word that I have regarding H. R. 2414. It would appear that hearings will go forward on this Bill, particularly if the Administration Bill does not receive the endorsement of Government Agencies and the business community. It is my understanding that a number of Congressional leaders are not in favor of the Administration Bill.

If you have any more recent information on House activities with regard to H. R. 2414 I would be pleased to have it.

*Howard*
