To: SUPA Officers and Trustees

From: Howard W. Bremer

You will shortly receive a copy of the summary sheet of the SUPA survey which was made to indicate a preference for meeting dates, meeting numbers and affiliation preference. Summing the first and second preference for the meeting date it appears from the concensus that we will have our annual meeting in association with the Dvorkovitz World Technology Fair in Atlanta in February 1979.

Preparatory to that meeting and to consider other issues a meeting of the Officers and Trustees appears to be advisable. Consequently will you please promptly let me know if June 26 is an acceptable date for a meeting in the Chicago area (probably at or near O'Hare airport). Your prompt reply is necessary so that Mary Spores can make arrangements to reserve a meeting room for us.
