For your information you will find an updated version of a background paper on the Dole-Bayh bill which was introduced as S. 3496 in the last Congress.

The bill is now undergoing revision for reintroduction into the 96th Congress sometime in January and the background paper will comport with the new bill.

Obviously, continued and increased effort will have to be made to obtain passage of the new bill after introduction and, in addition, support will be required for a companion bill in the House. Contacts with House members is now going on in an effort to obtain sponsors for the companion bill.
