

April 3, 1979

Mr. Sheldon E. Steinbach
Staff Counsel
American Council on Education
One DuPont Circle
Washington, D. C. 20036

Dear Shelly:

Attached you will find a copy of the paper which I presented to the State Bar and which you asked for during our recent telephone conversation.

In relation to the Dole-Bayh Bill, S. 414, we have never seen the letter that went out from AAU suggesting support for the Bill. If you have one available will you please supply me with a copy.

Very truly yours,

Howard W. Bremer
President
