Professor William H. Young
Assistant to President
The University of Wisconsin
210 North Hall
Madison, Wisconsin 53706

Dear Bill:

Enclosed you will find a copy of an amended Institutional Patent Agreement which was handed to me by Charles B. Brown in Washington last week.

It is my understanding that the agreement in this form is to be presented to the Secretary of Health, Education and Welfare at this time for approval. Mr. Brown indicated that it would be in our interests to send him the information which would be a necessary adjunct to a request for an Institutional Patent Agreement. The information needed is fully outlined in items 1 to 7 on the page appended to the proposed Institutional Agreement. As soon as you return we should plan to get together to discuss these matters and prepare an early request for an Institutional Agreement on behalf of the University. In the interim we will accumulate the information pertinent to item 7 under the information request.

Very truly yours,

Howard W. Bremer
Patent Counsel
