President
The University of Wisconsin
Madison 6, Wisconsin

Dear Dr. Elvehjem:

Your letter of August 24, 1961, requesting consideration of a possible institutional patent agreement has been referred to me for reply.

The matter of institutional patent agreements permitted under Sec. 8.1(b) of the enclosed Department of Health, Education, and Welfare regulations is now under study by the Department Patents Officer. We expect it may be several months before this study is completed, and shall be pleased to consider your request at a later date.

Sincerely yours,

(Miss) Katharine A. Parent
Special Assistant to the Chief
Division of Research Grants
