Dear Mr. Snyder:

On behalf of HIMA, I wish to express our gratitude for your participation at the recent Annual meeting of our Medical and Scientific Section in Chicago.

Your discussion, Non-Profit Organization Patent Procedures Act, was especially well received and we appreciate your taking time to prepare such an excellent presentation. Approximately one hundred and forty people heard your speech and it contributed greatly to the general theme.

Again, we appreciate your contribution to the success of the meeting.

Sincerely,

L. Leslie Hamilton, Ph.D., P.E.
Director, Medical Engineering
and Electronics
