Mr. Raymond J. Woodrow
President, Society of University
Patent Administrators
Princeton University
Post Office Box 36
Princeton, New Jersey 08540

Dear Mr. Woodrow:

Your letter of December 5, enclosing copies of the SUPA survey of key elements of patent policies which have been adopted at various institutions, has been sent to members of the NIH Inventions and Patents Board. At a future meeting, the Board will discuss the survey, and if we have any questions or comments I will communicate them to you.

Thank you for the opportunity to review this material.

Sincerely yours,

A handwritten signature in cursive script, which appears to read "Leon Jacobs".

Leon Jacobs, Ph.D.
Associate Director for
Collaborative Research
