OFFICE OF THE

Patent Counsel

Dear Mr. Bremer:

Re: Your Institutional Patent Agreement

This refers to the Institutional Patent Agreement governing grants and awards from this Department to your institution.

By this letter, we are amending Section VII of the Agreement pertaining to patent management organizations to delete its limitation to nonprofit patent management organizations. Please note that this does not change any of the other requirements contained in that Section, particularly the one requiring approval by this Department of any patent administration agreement between your institution and a patent management organization. Accordingly, in Section VII, line 4, please cancel "nonprofit."

Section XI is also hereby amended to change September 30 in line 2 to December 31 and June 30 in line 3 to September 30. This change will make the annual reports coincide with the fiscal year.

It would be appreciated if you would have the responsible official of your institution sign the enclosed copy of this letter to indicate your concurrence and return it to this office at your convenience.

Sincerely yours,

Leroy B. Randall
