Attention: Mr. C. Joseph Stetler

Dear Mr. Stetler:

Mr. A. W. Peterson, Vice President and Trust Officer of the University of Wisconsin, has made us acquainted with the PMA Memorandum dated February 1964, entitled "Patent Considerations in Contracts with the National Institutes of Health." This Foundation is vitally concerned with this question and has been working with University of Wisconsin personnel in search of some equitable answer to the problem. We will, therefore, greatly appreciate receiving a copy of this Memorandum. This Foundation is a member of the Pharmaceutical Manufacturers Association.

Very truly yours,
