Chairman, Subcommittee on Courts,
Civil Liberties and the
Administration of Justice
House of Representatives
Washington, DC 20515

Dear Representative Kastenmeier:

I have been advised that the Patent Term Restoration Act, HR6444 may not be placed on the floor of the House of Representatives. I sincerely hope that this is not the case.

It would be a sad situation if the opportunity for motivating the risk investment in life-saving and health restoring new drugs should be snuffed out by the selfish interests of those who would benefit when the products established at the risk of others, become old drugs.

Don't let it happen!

Very truly yours,
